ASSIGNMENT AGREEMENT

This Assignment Agreement by and between **UNIMI SOLUTIONS AB**, a corporation of Sweden with company number 556835-9466, having a place of business at Odensvägen 46, 187 73 Täby (hereinafter "ASSIGNOR") and **UNIMI HOLDING AB**, a corporation of Sweden with company number 559194-9846, having a place of business at Odensvägen 46, 187 73 Täby (hereinafter "ASSIGNEE") is effective on the day of 2019-05-19

In good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby assigns, transfers and conveys all of its right, title and interest in Sweden and throughout the world in and to all invention disclosures, Swedish patent applications, Swedish patents, foreign patents, and foreign patent applications (including any Patent Cooperation Treaty (PCT) applications and regional patent applications/patents (EP and others)) identified on **Schedule A** attached hereto and made a part hereof, and the entire right, title and interest in Sweden and throughout the world in and to the inventions to which said invention disclosures, patents and patent applications pertain and/or other intellectual property rights, in and to all worldwide rights of priority, and in and to any corresponding Swedish and foreign patents, extensions and renewals of patents, results of reexaminations, substitutions, reissues, patent applications, divisionals, continuations, continuations-in-part, utility models, petty patents, patents of importation, invention registrations, and inventor's certificates, together with all the rights and privileges granted and secured by said patents, extensions and renewals of patents, results of reexaminations, substitutions, reissues, patent applications, divisionals, continuations, continuations-in-part, utility models, petty patents, patents of importation, invention registrations and inventor's certificates, including without limitation all claims, demands, rights and causes of action that ASSIGNOR may have against others on account of any past, present and future infringement of any of said patents, patent applications, utility models, petty patents, patents of importation, invention registrations, and inventor's certificates with the right in ASSIGNEE to sue for and obtain all relief to which ASSIGNOR may have been entitled by reason of any such infringement. ASSIGNOR further agrees that ASSIGNEE may apply for and receive Letters Patent, utility models, petty patents, patents of importation, invention registrations, and inventor's certificates for said inventions in its own name.

ASSIGNOR hereby authorizes the Commissioner of the Swedish Patent Office and the empowered officials of all other governments and regional authorities to issue or transfer all said Letters Patent and other instruments set forth above to the ASSIGNEE.

The appointment of common representative before all competent International Authorities in connection with any and all International Applications as set forth above also is included in this assignment.

Said entire right, title, and interest is to be held and enjoyed by ASSIGNEE for its own use and benefit and for the use and benefit of its successors and assigns, to the full end of the term for

which said patents, registrations or certificates may be granted, as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment and sale not been made.
