ASSIGNMENT

This Assignment is effective between RSQ-Systems SPRL, a Belgian company having a principal place of business at Centenaire 5e Avenue, N°5, B-1332, Genval, Belgium ("Assignor"), and RSQ-Systems US LLC, a Texas company having a principal place of business at 1003 Harvey Road, Suite 200, College Station, Texas 77840 ("Assignee").

For good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over to Assignee Assignor's entire right, title, and interest in and to:

- a) U.S. Patent Application No. 16/046,721, filed July 26, 2018; U.S. Patent Application No. 16/431,324, filed June 4, 2019; and International Patent Application No. PCT/IB2019/000877, filed July 25, 2019; ("the Applications"); and
- b) in and to all other patent applications now or hereafter filed in the United States of America (including, without limitation, any non-provisional, divisional, continuation, continuation-in-part, reexamination, and reissue applications), and in and to all national phase applications and applications now or hereafter filed in countries foreign to the United States of America, based upon or otherwise relating to all inventions disclosed in the Applications or based upon or claiming the benefit of or priority to one or any or all of the Applications, including all rights of priority based on such applications, and any and all patent or patents granted thereon; in and to all rights of any kind whatsoever of Assignor accruing before, on, or after the dates of execution below under any of the foregoing provisions provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world; any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the dates of execution below, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
