ASSIGNMENT

WHEREAS, We, Aleem Gangjee, residing at 3855 Oakbrook Court, Allison Park, Pennsylvania 15101 and Larry H. Matherly, residing at 45433 Addington Lane, Novi, MI 48374, have invented certain new and useful compositions, methods, inventions, discoveries and/or improvements disclosed in, U.S. Provisional Patent Application No. 62/552,432, filed August 31, 2017, International Patent Application No. PCT/US2018/048905, filed August 31, 2018 and U.S. Patent Application No. 16/118,007, filed August 31, 2018 entitled "First-in-Class of SHMT2 and MTHFD2 Inhibitors as Antitumor Agents", hereinafter the "applications";

AND WHEREAS, Duquesne University of the Holy Spirit, having a place of business at 600 Forbes Avenue, Pittsburgh, Pennsylvania 15282 and Wayne State University, having a place of business at 5057 Woodward, Suite 6306, Detroit, Michigan 48202 (hereinafter the "Assignees"), are desirous of acquiring the entire right, title and interest in and to said applications and the compositions, methods, inventions, discoveries, and improvements therein disclosed;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to us by said Assignees, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said Assignees the entire right, title, and interest in and to said applications and the compositions, methods, inventions, discoveries and improvements therein disclosed for the United States of America and its territories and all foreign countries and any Letters Patent(s) which may issue therefor in the United States and its territories and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, including the right to apply for Letters Patent(s) in each foreign country and the United States of America and its territories, in its own name and to claim any and all priority rights and any and all benefits under the International Convention, other conventions, treaties, or otherwise associated therewith for each country and the United States of America and its territories, said Assignees to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent(s) and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this Assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent(s) in accordance herewith, and we request that any and all Letters Patent(s) for said inventions and said applications be issued to said Assignees, its respective successors, assigns, and legal representatives or to such nominees as said Assignees may designate. We covenant that we are the lawful owners of said applications, compositions, methods, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend said compositions, methods, inventions, discoveries or improvements or any of them, and that we have the full right to make this Assignment.

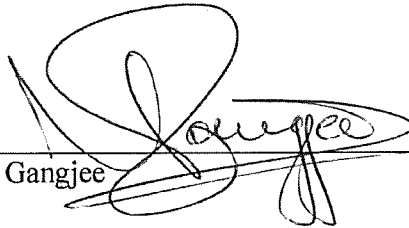

And for said consideration, we agree individually that we will communicate to said Assignees or the representative thereof any facts known to us respecting said compositions, methods, inventions, discoveries and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue,

continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignees or by counsel for said Assignees, to assist or enable said Assignees to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent(s) assigned herein becoming involved in an Interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. This Assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said Assignees.

And for said consideration, the undersigned hereby agrees to execute, at the request of said Assignees, all documents in connection with any application for foreign letters patent therefor.
