ASSIGNMENT

I, Shohei Yoshida, have made an invention which is now described and claimed in an International Application bearing PCT application no. PCT/JP2019/006280 and entitled TISSUE PAPER, the U.S. National-Stage application of which:

[X] is being executed and filed concurrently herewith.

[] was filed on _____ and now is designated as United States patent application number _____

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of my employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby do make the following assignments –

To **DAIO PAPER CORPORATION**, a corporation created and duly organized under the laws of Japan and having a place of business at 2-60, Mishimakamiyacho, Shikokuchuo-shi, Ehime7990492 Japan, and its successors and assigns, I hereby

- assign, transfer, and set over the full and exclusive right to the above-identified invention, and to the above-identified patent application, any non-provisional, substitute, continuation, continuation-in-part, or divisional application filed thereon, and to any letters patent of the United States that issues from or claims priority to said application(s), as well as any reissue application or request for reexamination filed on such letters patent;
- covenant and agree for ourselves and our legal representative(s) to
 - a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of any patent applications contemplated by this Assignment, in any patent office proceeding on said patent application or patent issuing therefrom, or in litigation that arises out of or is based on said patent application or patent issuing therefrom, and
 - b) execute all papers related to patent applications contemplated by this Assignment that said assignee or its designee(s) request to be signed, provided that expenses relating thereto shall be borne by said assignee; and
- authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-identified invention in the name of said assignee.

IN WITNESS WHEREOF, I have executed this document on the date indicated.
