ASSIGNMENT

WHEREAS, I, Paul Badillo of 7520 West Coal Mine Ave., Unit C, Littleton, Colorado 80123 has invented a certain new and useful invention entitled "RACK SYSTEM FOR VEHICLES" for which a non-provisional application for Letters Patent of the United States has been prepared and filed on March 15, 2019, receiving Serial No. 16/355,179 and further identified as Attorney File No. 4525-74, and a provisional United States patent application has been prepared and filed on March 16, 2018, receiving Serial No. 62/644,184 and further identified as Attorney File No. 454-74-PROV (the "Applications");

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of **Intelligent Designs 2000 Corp.**, (hereinafter "Assignee") having a place of business at 14509 East 33rd Place, Unit E, Aurora, Colorado 80011, do sell, assign and transfer unto Assignee, its successors, legal representatives and assigns, the Applications for all territories in the world and any improvements and modifications thereto, all applications from which the Applications claim the benefit of priority, all applications claiming the benefit of priority from the Applications, including, but not limited to, all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the inventions described in the Applications in the United States or any other country and the right to sue for past infringement of rights resulting from the Applications or any patent issuing therefrom; I also assign any right, title or interest in and to the Applications which has not already been transferred to Assignee, I warrant that I have made no assignment of the Applications or patent therefor to a party other than Assignee, and I am under no obligation to make any assignment of the Applications or patent therefor to any other party; and I further agree to cooperate with Assignee in the obtaining and sustaining of any and all such Letters Patent and in confirming Assignee's exclusive ownership of the Applications, but at the expense of Assignee.

For and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, Paul Badillo, do sell, assign and transfer to Assignee, the right to claim priority to the Applications for all applications pursuant to the Patent Cooperation Treaty and national and regional applications filed therefrom, all applications for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications thereof, and all patent applications in foreign countries and the right to be granted a patent for any of the foregoing applications.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Assignee, its successors, legal representatives and assigns, as an assignee of an equal, undivided right, title and interest therein.

Attorney File No. 4525-74
