## ASSIGNMENT

Oleksandr Chukhmanov, residing at 69120, Voronin St 19a, apartment 4, Zaporizhia, Zaporizhia region, Ukraine and Roman Romanov, residing at 51917, Anoshkin avenue 115, apartment 155, Kamianske, Dnipropetrovsk region, Ukraine (hereinafter referred to as Assignor) have invented certain new and useful improvements in METHOD FOR PRODUCING ALLOY POWDERS BASED ON TITANIUM METAL for which a United States patent application was:

  X   executed on even date herewith.

           filed on    as Application No.   .

Velta Holdings US Inc., a corporation, having a place of business at 619 New York Avenue, Claymont, Delaware 19703 (hereinafter referred to as VELTA) desires to acquire an undivided 50% right, title and interest in and to the invention and all patents that may be granted therefor anywhere in the world.

RD Titan Group, TOV, a limited liability company, having a place of business at 81131, Stryiska St. 3, Solonka, Pustomyty district, Lviv region, Ukraine (hereinafter referred to as RD TITAN) desires to acquire an undivided 50% right, title and interest in and to the invention and all patents that may be granted therefor anywhere in the world.

In consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, Assignor sells, assigns, and transfers jointly unto VELTA and RD TITAN each a 50% share of its entire right, title and interest in and to (a) the invention in the United States and in all foreign countries, (b) the application, (c) all provisional applications from which the application claims priority, (d) all nonprovisionals, divisions, continuations, continuations-in-part, reissues, reexaminations, substitutions, renewals, and extensions claiming priority directly or indirectly from the application including the right to claim for any such application the benefits of the International Convention; and (e) all patents that may be granted on any of the foregoing in the United States and in all foreign countries (altogether, the "Assigned Rights"); with the Assigned Rights being fully transferred equally and undivided to VELTA and to RD TITAN and with Assignor thereby reserving nothing for itself.

Assignor authorizes and requests the patent office officials in the United States and in all foreign countries to issue all of the patents, when granted, to VELTA and RD TITAN as the owner of its entire right, title, and interest in and to the same.

Assignor agrees to communicate to VELTA and RD TITAN or its representatives all facts known to Assignor respecting the invention; to testify in all legal proceedings; to sign all documents; to execute all nonprovisional, divisional, continuation, continuation-in-part, reissue, reexamination, substitution, renewal, and extension applications; to execute all necessary assignment documents to cause all of the patents to be issued to VELTA and RD TITAN, to make all rightful oaths, and generally to do everything possible to aid VELTA and RD TITAN, its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in all foreign countries.
