ASSIGNMENT

WHEREAS, Priority Designs, Inc., an Ohio corporation having an address of 100 S. Hamilton Road, Columbus, Ohio 43213 (the "Assignor"), has acquired ownership in certain new and useful improvements in WEARABLE HEADGEAR DEVICE (the "Invention") for which application for a U.S. Patent was made on October 4, 2018 as U.S. Design Patent Application Serial No. 29/665,581 (the "Application");

AND WHEREAS, Integra LifeSciences Corporation, a Delaware corporation having a place of business at 311 Enterprise Drive, Plainsboro, New Jersey 08536 (the "Assignee"), desires to acquire the entire right, title, and interest in and to the Intellectual Property (defined below) and any United States and foreign patents therefor.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby sells, assigns, transfers and conveys unto the Assignee their entire right, title and interest in and to:

said Invention;

said Application, including any and all designs, divisions, continuations, continuations-in-part, provisionals to which said Application claim priority, non-provisional applications claiming priority to or having any relationship to any of the aforesaid, and reissues and reexaminations thereof;

any and all foreign and PCT applications claiming priority to any of the aforesaid;

any and all Letters Patent of the United States and all countries foreign thereto, which may be granted or have been granted for any of the aforesaid, and any and all reissues and reexaminations thereof;

any and all priority rights, convention rights, and other benefits accruing or to accrue to the Assignor with respect to the filing of applications for patents or the securing of patents in the United States and countries foreign thereto; and

any and all rights to recover damages for past infringement of any and all said Letters Patent (collectively, all of the aforesaid the "Intellectual Property");

AND THE ASSIGNOR HEREBY AGREES, and likewise binds its successors and assigns, to execute additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the said Invention in all countries and to vest in the Assignee complete title to the Invention, Application and any Letters Patent, including additional applications related to the Intellectual Property, and/or any applications for reissue or reexamination of any Letters Patent which may be granted for said Intellectual Property, without further compensation, but at the expense of said Assignee, its successors, and assigns.

AND THE ASSIGNOR HEREBY AUTHORIZES AND REQUESTS the United States Patent and Trademark Office, and any offices of foreign countries whose duty it is to issue patents, to issue any Letters Patent granted upon said Application and for said Invention to Assignee.
