ASSIGNMENT

WHEREAS, I, Donggyoun Kim of 67, Yeokgok-ro 26beon-gil, Bucheon-si, Gyeonggi-do, 14669, Republic of Korea, have invented certain improvements in an ornamental design for a "Control Panel Front Face for an Ultrasonic Cleaner", and described in US Patent Application Docket No. 20-175, executed on even date herewith, being owner of all right, title and interest in and to said application and in and to any invention described therein, free from all prior assignments, agreements, licenses, mortgages, or other encumbrances whatsoever, and having full right to convey the entire interest both legal and equitable herein assigned; and

WHEREAS, SD-ULTRASONIC CO., LTD of #560, 159, Cheonggyecheon-ro, Jongno-gu, Seoul, 03194, Republic of Korea (assignee) is desirous of acquiring the entire right, title and interest in and to said invention or inventions and any and all patents to be obtained therefor in the United States of America (inclusive of its individual states, territories, commonwealths, possessions, and the like (hereafter "this country"));

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned has assigned and does hereby sell, assign, transfer and set over unto said assignee, its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application in this country; and also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this country; and the undersigned hereby authorizes and requests the issuing authority to issue any and all patents on said application or applications to said assignee or its successors and assigns.

The undersigned further agrees, without any further payment or compensation by said assignee or its successors and assigns, to communicate to said assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do

everything possible to aid said assignee, its successors or assigns and nominees to obtain and enforce proper patent protection for said invention or inventions in this country.

IN TESTIMONY WHEREOF, the undersigned have-hereunto set his hand and seal on the date after his signature.

(L.S.) 
Donggyoun Kim
