## PATENT ASSIGNMENT

**Michael R. Limotta III** ("Assignor") is the owner of all proprietary and intellectual property rights, including copyrights and patents, in the concepts and technologies described in US Patent Application No. 16/902,232 (and referred to as the "Invention") and the right to registrations to the Invention. **Michael R. Limotta & Co., DBA Proximai.com** ("Assignee") desires to acquire the ownership of all proprietary rights, including, but not limited to, the copyrights, trade secrets, trademarks and associated good will and patent rights in the Invention and the registrations to the Invention;

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor, hereby assigns to Assignee 100% of all right, title and interest in the Invention, including:

- (1) all copyrights, trade secrets, trademarks and associated good will and all patents which may be granted on the Invention;
- (2) all applications for patents (including divisions, continuations in whole or part or substitute applications) in the United States or any foreign countries whose duty it is to issue such patents;
- (3) any reissues and extensions of such patents; and
- (4) all priority rights under the International Convention for the Protection of Industrial Property for every member country.

Assignor warrants that: (1) Assignor is the legal owner of all right, title and interest in the Invention; (2) that such rights have not been previously licensed, pledged, assigned, or encumbered; and (3) that this assignment does not infringe on the rights of any person. Assignor agrees to cooperate with Assignee and to execute and deliver all papers, instruments, and assignments as may be necessary to vest all right, title, and interest in and to the intellectual property rights to the Invention in Assignor. Assignor further agrees to testify in any legal proceeding, sign all lawful papers and applications, and make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper protection for the Invention in all countries.
