ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Todd Green ("ASSIGNOR"), being the sole inventor and having made an invention related to HVAC Condensate Evaporation and Dispersion Systems, do hereby ASSIGN, SELL and CONVEY to ETR LLC, a limited liability company organized and existing under the laws of the State of Texas, with a mailing address of 4700 Old Troup Hwy, Tyler, Texas 75707 (sometimes hereinafter called "ASSIGNEE"), its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention related to HVAC Condensate Evaporation and Dispersion Systems;
2. United States patent application on said invention, filed as U.S. Patent Application Serial No. 62/895,147 on September 3, 2019;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those obtained or permissible under past, present and future law and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention for infringement of said patents and like protection;
7. The right to ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and

8. All international rights of priority associated with said invention, applications, patents and like protection;

and ASSIGNOR covenants that ASSIGNOR, his heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

EXECUTED at Tyler, Texas on the date indicated below, opposite my signature.
