## **ASSIGNMENT**

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, the undersigned **Aaron Bawcom, of 1054 Club PI NE, Brookhaven, GA 30319** hereby:

Sell, assign and transfer to **Candid Partners, LLC** a limited liability company having a place of business at **817 West Peachtree Street, Suite M-100, Atlanta, GA 30308** its successors, assigns and legal representatives, all hereinafter referred to as said Assignee, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the applications listed in the attached **Schedule A** and in and to said applications and all continuing, divisional, continuation-in-part, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said any and all inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said any and all inventions including the right to apply for patent rights in each foreign country and all rights to priority; and further including any right to sue for past infringement;

Acknowledge, affirm and agree that if my interests have already been transferred by operation of law or by agreement, e.g., employment agreement, with said Assignee that said Assignee is the owner of 100% interest in and to said applications and is the real party in interest in and to said applications;

Agree that, prior to filing said application referenced herein, said Assignee was specifically entitled to apply for and claim priority of said applications referenced herein and was entitled to apply for and claim priority to any PCT application or foreign equivalents that claim priority to said applications referenced herein;

Agree that said Assignee may apply for and receive Letters Patent for said any and all inventions in its own name; and when requested, without charge to but at the expense of said Assignee, I agree to carry out in good faith the intent and purpose of this assignment, by executing all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on said any and all inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to me relating to said any and all inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said any and all inventions and for vesting title to said any and all inventions and all applications for patents and all patents on said inventions, in said Assignee;

Agree and acknowledge that: (i) the Assignee is the real party in interest for said applications and has a sufficient proprietary interest under 35 U.S.C. §§ 115 and 118 in said applications to make an application for patent on behalf of and as an agent for me, (ii) the Assignee has the right, but is not required, to file a Substitute Statement under 35 U.S.C. § 115, and (iii) the Assignee may make such patent applications as necessary and determined solely by the Assignee to preserve the rights of the parties;

Acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56;

Request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee; and

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.
