ASSIGNMENT

WHEREAS, I, DAVID ALAN ACKERMAN, a citizen of the United States, residing at 7 East Prospect Street, Hopewell, New Jersey 08525 (hereinafter "Assignor"), together with my co-inventors, BARRY E. MAPEN, JOHN TIMOTHY GREEN, and MATTHEW RICHARD RUSNOCK, have invented a new and original SYSTEMS AND METHODS OF MULTI-MODAL BIOMETRIC ANALYSIS, for which a provisional application for United States Letters Patent was filed on December 13, 2017, as Application No. 62/598,178; and

WHEREAS, PRINCETON IDENTITY, INC., a corporation organized and existing under the laws of the State of Delaware and having a place of business at 300 Horizon Drive, Suite 304, Hamilton, New Jersey 08691 (referred to hereinafter as "Assignee"), is desirous of memorializing acquisition of Assignor's entire right, title and interest in and to said invention, said application and any patent that may be granted thereon or therefrom;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention, including the right to claim priority, and the aforesaid application for patent, all original, divisional, continuation, continuation-in-part, provisional, non-provisional, reexamination, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to PRINCETON IDENTITY, INC., as Assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reexamination, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any *inter partes* reviews, post-grant reviews, derivation proceedings, covered business method patent reviews, interferences, or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
