ASSIGNMENT

WHEREAS, I/we, Mark A Shumaker of New Palestine Indiana and Roger K Russell of Indianapolis Indiana have invented certain improvements in:

Door Lock Having a Lighted Display When in the Locked Position

described and claimed in three applications for Letters Patent of the United States of America thereon, said applications being identified as

- (1) Serial Number 62/866,521 that was filed on 25 June 2019, and
- (2) The application being filed concurrently herewith, and
- (3) The application currently identified as Chung-Liang Lin United States Utility Patent Application No 16383756, which was filed on 19 April 2019, for an invention entitled **DOOR LOCK CAPABLE OF SHOWING LOCKING OR UNLOCKING STATE** for which the Assignors may have an ownership interest as inventors.

WHEREAS, Oak Security Group, LLC, of 8904 Bash Street, Suite K, Indianapolis, Indiana 46256 a Limited Liability Company organized and existing under the laws of the State of Indiana, ("Oak"), is to acquire the entire right, title and interest in and to said invention and said application for Letters Patent;

NOW, THEREFORE, in consideration of the sum of **One Dollar (\$1.00)** to me/us in hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I/we do hereby assign, sell, transfer and set over unto said **Oak** its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application identified above, and in and to said application and any non-provisional applications, divisions or continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said application or for said invention, and in and to any patent application which may be filed on said invention in countries foreign to the United States of America and any patents granted thereon; said invention, applications, and Letters Patent to be held and enjoyed by said **Oak** and its successors or assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said Letters Patent, when granted to said **Oak**, as the assignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of said **Oak**, its successors and assigns.

Further, I/we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said **Oak**, its successors and assigns may require to enable it or

them to procure Letters Patent on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey said Letters Patent, reissues or extensions.

Executed this 3rd day of AUGUST, 2019.
