WHEREAS the Assignor has assigned and transferred (and has agreed to assign and transfer) all of its right, title and interest in the Patent Applications, and all inventions and discoveries described therein, to **cytena Bioprocess Solutions co., Ltd.**, a Taiwanese corporation with its principal place of business at 7F-6., No. 495, GuangFu S. Rd., Xinyi Dist., Taipei City 110, Taiwan (R.O.C.) (the "Assignee");

NOW THEREFORE the Assignor, having received good and valuable consideration from Assignee, hereby confirms to all whom it may concern the assignment and transfer of (and, in the event and to the fullest extent Assignor possesses any right, title or interest in the Patent Applications or any invention or discovery described therein, effective as of the Effective Date, Assignor hereby agrees to and hereby assigns and transfers to Assignee, and Assignee hereby agrees to and hereby accepts such assignment and transfer) all of Assignor's right, title and interest in and to the Patent Applications and all inventions and discoveries described therein (the "Assigned Rights").

Such Assigned Rights transferred to Assignee include but are not limited to the rights, in any and all countries or jurisdictions of the world:

(a) to all ownership and property interests in and to the Patent Applications and any and all inventions and discoveries described therein;

(b) to file, prosecute, maintain and defend the Patent Applications, with Assignee as registered applicant/owner thereof;

(c) to file, prosecute, maintain and defend any other applications for patent or other intellectual property protection in respect of the whole, any part or parts of any of the inventions and discoveries described in the Patent Applications, including divisional or continuation applications and utility models, anywhere in the world (the "Further Applications"), with Assignee as registered applicant/owner of any Further Applications;

(d) to claim priority to and from any of the Patent Applications and Further Applications under any national law or international treaty or convention;

(e) to all ownership and property interests in and to any and all patents or other intellectual property rights granted in respect of any of the Patent Applications and Further Applications (the "Patents");

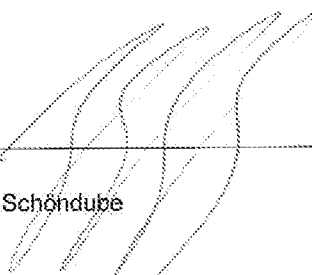

(f) to apply for extensions in respect of any of the Patent Applications, Further Applications and Patents under the US Drug Price Competition and Patent Term Restoration Act 1984, the European Supplementary Protection Certificate Regulation (Regulation (EC) No. 469/2009), equivalent legislation in any other jurisdiction and any legislation amending, replacing or implementing the foregoing (the "Extensions"); and

(g) to enforce any of the Patent Applications, Further Applications, Patents and Extensions, and to recover and take all such proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements thereof, whether committed before or after the Effective Date.

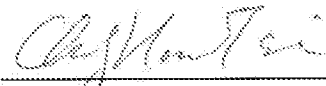

The present confirmatory assignment is applicable for, but is not limited to, the following countries/jurisdictions: Australia, Canada, China, Israel, India, Japan, South Korea, Luxembourg, Singapore, the United States of America, and all Contracting States of the Paris Convention, the PCT, the EPC (and all extension and validation states thereof) and/or the UPCA (if entered into force).
