Assignment

WHEREAS, **Kann Polymers Consulting** (hereinafter referred to as "ASSIGNOR"), having a place of business at: 6 Saturn Road, Marblehead, MA 01945 is the owner of the entire right, title and interest in and to the Patent and Patent Applications (the "Patents") listed on the attached Schedule "A" and the inventions claimed therein (the "Inventions"); and

WHEREAS, **Radical Plastics Inc.** (hereinafter referred to as "ASSIGNEE"), having a place of business at: 6 Saturn Road, Marblehead, MA 01945, is desirous of acquiring the full and exclusive right in and to said Inventions and all documents and things relating to the conception, reduction to practice and/or practice of the Invention (the "Related Documents") and the entire right, title and interest in and to said Patents and any Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, ASSIGNOR, by these presents, does sell, assign and transfer unto said ASSIGNEE, and ASSIGNEE does hereby accept, the full and exclusive right in and to said Inventions and Related Documents in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest, including the right to sue for past infringement and all rights pursuant to 35 U.S.C. §154, in and to the Patents and any and all Letters Patent which may be granted therefor in the United States and its territorial possession and in any and all foreign countries and in and to any and all divisions, continuations, substitutions, renewals, re-examination, extension and reissues thereof.

ASSIGNOR hereby authorizes and requests the Patent Office Officials in the United States and its territorial possessions and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of the entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE and said ASSIGNEE's successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by ASSIGNOR had this assignment and sale not been made.
