**CONFIRMATORY ASSIGNMENT**

I, Todd Alan GISBY, having a residence of Auckland, NZ;

I, Llewellyn Adair Sims JOHNS, having a residence of Auckland, NZ;

I, Andrew Thomas WONG, having a residence of Auckland, NZ;

I, Felix Qing-Song LUN, having a residence of Auckland, NZ;

I, Paul Malcolm GUININBERT, having a residence of Auckland, NZ;

I, Jeremy LABRADO, having a residence of Fey, France;

I, Lewis Freeth HARPHAM, having a residence of Auckland, NZ; and

I, Elodie Lyath BOUZBIB, having a residence of Les Mesnuls, France;

(hereinafter "ASSIGNORS") have invented "**INTERCONNECTING CIRCUIT BOARD TO STRETCHABLE WIRES**" (hereinafter called the "Invention") for which a patent application in the United States Patent and Trademark Office was filed on February 12, 2020 and assigned U.S. Patent Application Serial Number 16/638,672 (hereinafter called the "Application"), and for which the Application was based on and claimed priority to PCT Application No. PCT/NZ2018/050102, filed July 24, 2018, and for which PCT Application No. PCT/NZ2018/050102 was based on and claimed priority to: i) AU 2017902901, filed July 24, 2017, ii) AU 2017903274, filed August 15, 2017, iii) AU 2017903545, filed September 1, 2017, iv) AU 2017904412, filed October 31, 2017, and v) AU 2017904845, filed November 30, 2017.

ASSIGNORS have received in consideration of the sum of Ten Dollars (\$10.00), or the equivalent thereof, and other good and valuable consideration, the sufficiency of which and receipt of which are hereby acknowledged, paid to ASSIGNORS by

**STRETCHSENSE LIMITED**

a Corporation having a place of business at 114 Rockfield Road, Penrose Auckland, 1061, NZ (hereinafter "ASSIGNEE").

Pursuant to such payment, we hereby confirm having assigned to said ASSIGNEE, its successors and assigns, all right, title, and interest, throughout the world in and to the Invention, including the Application and all foreign and domestic patent applications the Application claims priority to, and all foreign and domestic patent applications claiming priority to the Application, including but not limited to all divisions, renewals and continuations of any thereof and any extensions thereof and rights of priority therein, said interest being our entire ownership interest in the same, to be held and enjoyed by said ASSIGNEE, its successors, assigns, or other legal representatives, to the full end of the term thereof, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made, including all rights of ASSIGNORS to recover for past infringement thereof;

And for the aforesaid consideration, we hereby covenant and agree to and with said ASSIGNEE, its successors and assigns, that whenever ASSIGNEE, its counsel or representative, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with an application concerning said Invention, including interference proceedings, is lawful and desirable, or that a reissue or continuation or extension of such application or patent issuing therefrom is lawful and desirable, we will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of all lawful rights associated with the Invention, or for the reissue or continuation or extension of the same, will do all acts necessary or required to secure in said ASSIGNEE, its successors or assigns, the title to and full benefit of all rights hereby assigned, without charge to said ASSIGNEE or its successors or assigns, but at its or their expense; and we hereby appoint every present or future officer of said ASSIGNEE as each of our agent to sign all such papers and to do all such necessary acts on our behalf, to the fullest extent permitted by law;

And we hereby authorize and request the Commissioner of Patents and Trademarks and any other granting authority to issue any Letters Patent resulting from said Invention and application(s) concerning same to said ASSIGNEE.

Each of us declare under penalty of perjury under the laws of the United States of America, and under penalty of the laws of any other jurisdiction before which this document may be presented, that we have signed this document as our own free act and that all of the foregoing is true and correct.

STRETCHSENSE LIMITED

a Corporation having a place of business at 114 Rockfield Road, Pentrose Auckland, 1061, NZ (hereinafter "ASSIGNEE")

Pursuant to such payment, we hereby confirm having assigned to said ASSIGNEE, its successors and assigns, all right, title, and interest, throughout the world in and to the Invention, including the Application and all foreign and domestic patent applications the Application claims priority to, and all foreign and domestic patent applications claiming priority to the Application, including but not limited to all divisions, renewals and continuations of any thereof and any extensions thereof and rights of priority therein, said interest being our entire ownership interest in the same, to be held and enjoyed by said ASSIGNEE, its successors, assigns, or other legal representatives, to the full end of the term thereof, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made, including all rights of ASSIGNORS to recover for past infringement thereof;

And for the aforesaid consideration, we hereby covenant and agree to and with said ASSIGNEE, its successors and assigns, that whenever ASSIGNEE, its counsel or representative, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with an application concerning said Invention, including interference proceedings, is lawful and desirable, or that a reissue or continuation or extension of such application or patent issuing therefrom is lawful and desirable, we will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of all lawful rights associated with the Invention, or for the reissue or continuation or extension of the same, will do all acts necessary or required to secure in said ASSIGNEE, its successors or assigns, the title to and full benefit of all rights hereby assigned, without charge to said ASSIGNEE or its successors or assigns, but at its or their expense; and we hereby appoint every present or future officer of said ASSIGNEE as each of our agent to sign all such papers and to do all such necessary acts on our behalf, to the fullest extent permitted by law;

And we hereby authorize and request the Commissioner of Patents and Trademarks and any other granting authority to issue any Letters Patent resulting from said Invention and application(s) concerning same to said ASSIGNEE.
