MAID IP Holdings P/L

successors and assigns ("Assignee"), the entire interest for the United States of America including all rights of priority, including those under the International Convention for the Protection of Industrial Property, in in the following patent(s) and/or patent application(s) (hereinafter "the subject patent properties"):

- US Patent No. 8,622,778 issued on 01/07/2014
- US Patent No. 9,778,657 issued on 10/03/2017
- US Patent No. 10,281,917 issued on 05/07/2019
- US Application No. 16/398,721 filed on 04/30/2019

in the United States Patent and Trademark Office, and in all Letters Patent of the United States, as well as any patent application that claims domestic priority rights from any of the subject patent properties, either directly or indirectly, such as but not limited to continuations, continuations-in-part (CIPs), divisionals, reissues, reexaminations, or other applications based in whole or in part on the subject patent properties, and utility patent applications claiming the benefit of the subject patent properties or converted from any of the subject patent properties in the event that any of the subject patent properties is a provisional patent application; any other patent application that describes and/or claims subject matter described and/or claimed in any of the subject patent properties, whether or not the other patent application claims priority rights from one or more of the subject patent properties; any Letters Patent, in the United States, that is issued from any of the subject patent properties, and any reissues, reexaminations, or extensions of such Letters Patent; and any invention described and/or claimed in any of the subject patent properties, and any improvement thereto.

I/we additionally authorize the Assignee to file applications in my/our name for Letters Patent in the United States, to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me/us had this Assignment, and transfer not been made.

I/we hereby covenant that I/we have full right to convey the entire interest herein assigned, and that I/we have not executed and will not execute any agreement in conflict herewith, and I/we further covenant and agree that I/we will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent, to the Assignee,

its successors, assigns, nominees or legal representatives, and I/we agree to communicate to the Assignee, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, CIPs, and reissues, to make all rightful oaths and declarations, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in the United States, provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by the Assignee.

I/we hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.

I/we further authorize and direct the attorney(s) of record to insert into this Assignment the serial number and filing date of the Patent Application as soon as the same shall have been made known by the United States Patent and Trademark Office.
