DECLARATION (37 CFR § 1.63) FOR UTILITY PATENT APPLICATION USING AN APPLICATION DATA SHEET (37 CFR § 1.76) AND ASSIGNMENT

Title of Invention: Portable Solar-Electric Watercraft

I, **Kerry Levin** (the "Inventor"), declare that:

1. This declaration is directed to the attached U.S. Patent Application (the "Application") with application number yet to be announced.
2. The Application was made or authorized to be made by me.
3. I believe that I am the original inventor or an original joint inventor of one or more claimed inventions in the Application.
4. I have reviewed and understand the contents of the application, including the claims.
5. I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability, as defined at 37 USC § 1.56.
6. I have made one or more inventions (the "Invention") disclosed in the Application and further identified by the docket number provided in the header of this document.
7. For good and valuable consideration, I hereby assign to Designer Direct, Inc. d/b/a Levin Associates, an Illinois for-profit corporation (the "Assignee") my entire intellectual property interest in all subject matter of the Invention, whether or not disclosed in the Application. The assigned interest includes the right to pursue both the Application and other patent applications in the United States and in other countries, and the authority to make any and all decisions regarding prosecution of such patent applications, including, but not limited to, a decision to abandon any patent application.
8. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 USC § 1001 by fine or imprisonment of not more than five years, or both.
