ASSIGNMENT

Pursuant to our obligation to Dynacraft BSC, Inc. (hereinafter referred to as "Assignee"), a Massachusetts Corporation having its principal place of business at:

89 S. Kelly Road
American Canyon, California 94503

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, we:

David Castrucci
200 Soscol Creek Road
Napa, California 94558

William Talios
394 Monte Vista Lane
Petaluma, CA 94954

John Bisges
131 Slate Drive
Buford, GA 30518

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to a new, original and ornamental design titled "PLUSH UNICORN RIDE-ON TOY" for which we filed United States Patent Application No. 29/640,288 on March 13, 2018 (Atty. File No. 201149-9433-US01) (hereinafter the "U.S. design patent application")

(2) in and to the U.S. design patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, and reissue applications) based upon said design, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications or design registrations filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. design patent application and agree that any patent applications or design registrations of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on the U.S. design patent application.

We hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of our application after execution of this Assignment. And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent

and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
