ASSIGNMENT OF INVENTION

UNIVERSAL

WHEREAS, I, **MATHIEU BERROUARD**, residing at 1451 rue du Corsaire, Lévis, QC, Canada, G6W 2G5 (hereinafter referred to as the Assignor); having devised the invention entitled TOOL HANDLE WITH A GRIP described in Canadian Design Application No. 195318 filed on May 7, 2020 and in the US Design Application No. 29/733,972 filed on May 7, 2020, I hereby authorize and request my/our patent agent to insert missing information above and information regarding any additional application covering the same invention when known here in parentheses (Country _____, Application number _____, filed _____; Country _____, Application number _____, filed _____);

and:

WHEREAS, **GARANT GP**, whose full post office address is 375 chemin St-François Ouest, Saint-François-de-la-Rivière-du-Sud, QC, Canada, G0R 3A0 (hereinafter referred to as the Assignee), is desirous of acquiring my/our entire right, title and interest in and to said invention or inventions and in and to any and all patents to be obtained therefor.

NOW, THEREFORE, in consideration of the One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, by these present, the Assignor hereby sells, assigns and transfers unto said Assignee and his successors, the entire rights, title and interest in said Invention, in any form or embodiment thereof, and in and to any applications based thereon filed in any foreign country, including the right to claim priority on the aforesaid application, and the right to file said foreign applications under the provisions of the Patent Cooperation Treaty and under the Paris Convention; the Assignor hereby sells, assigns and transfers unto said Assignee and his successors, the entire rights, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon the Invention, and any divisional,

continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s), which may be filed upon the Invention, in any country or territory. The Assignor hereby authorizes and requests the issuing authority to issue any and all Patents on said Invention to the Assignee.

The Assignor further agrees without any payment by said Assignee other than expenses incurred by the undersigned, to communicate to said Assignee, its representatives or agents, any facts useful as evidence for interference purposes or for other proceedings relating to intellectual property encompassing the invention, whenever requested; testify in any interference, litigation or other proceedings in relation with the Invention or any patent application deriving from this Assignment, whenever requested; and to execute and deliver, at the request of the Assignee, all lawful papers that the Assignee may reasonably require to make any of the foregoing provisions of this Assignment effective, and likewise make these provisions binding upon my heirs, successors, legal representatives, administrators and other assigns of the rights of the Assignor.

Les soussignés désirent que la présente cession soit en anglais. The undersigned request that the present Assignment be in English.

IN WITNESS WHEREOF, we have hereunto set our hands and seals.
