ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, whose name(s) and full post office address(es) are set out below:

<u>Name</u>	<u>Address</u>
SHEN, Jun	800-328 Clarkson Street New Westminster, BC V3L 5S3 Canada

confirm that I have assigned, sold, transferred and set over and, for greater certainty, by these presents do hereby assign, sell, transfer and set over unto **APR Beauty Group Inc.**, a corporation whose full post office address is **APR Beauty Group Inc., 39 Casebridge Court, Toronto, ON M1B 5N4, Canada** (hereinafter referred to as the "Assignee"), and to the Assignee's successors, assigns, nominees or other legal representatives my right to apply for and obtain letters patent in the **United States of America** for the invention relating to

PRESS-TYPE COSMETIC BOTTLE

(hereinafter referred to as the "Invention")

including subject matter which is fully set forth and described in the Chinese Patent Application No. 201920687291.4 filed May 14, 2019 and naming me as inventor (hereinafter referred to as the "Priority Application"), and subject matter which is fully set forth and described in the patent application claiming priority to the Priority Application, including:

Country	Application Number	Filing Date
U.S.A.	16/455,101	June 27, 2019

(hereinafter referred to as the "Application")

together with my entire right, title, interest, property and benefit in the United States of America and elsewhere in the world, in and to the Invention, the Application, all other applications for the same Invention based on the Application, including all national entry filings, divisions, re-examinations, reissues and continuations and extensions thereof encompassing the Invention, and any Letters Patent which may issue for the Invention from such applications (the "Patents"), including the right to claim priority from the Application, and all rights of enforcement thereto, including all rights to sue or recover for the infringement of the Patents, and any and all choses in action related thereto, the same to be held and enjoyed as fully and exclusively as they would have been by me had this assignment, sale and transfer not been made;

I hereby covenant and agree that I will, at any time upon the request and at the expense of the Assignee, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of the Assignee, to enable and assist the Assignee to (a) obtain any and all letters patent for the Invention based on the Application or for the Invention and vest the

same in the Assignee; (b) establish, maintain and secure title in the Assignee, its successors, assigns, nominees or other legal representatives, to the Invention, the Application, and any letters patent therefor, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of any said letters patent therefore and enforce rights therein against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment;

I hereby represent and covenant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of the Invention, and/or the Application as provided above has been or will be made or entered into which would conflict with this assignment;

I authorize and request the patent offices to issue any and all letters patent based on or corresponding to any of the Application and each division, re-examination, reissue and continuation and extension thereof to the Assignee, its successors, assigns, nominees or other legal representatives.

In witness whereof, I have hereunto signed my name on the day and year set forth below.
