In accordance with the TALIA LICENSE AGREEMENT between myself and Pablo, Inc., having a principal place of business at 888 Marin St., San Francisco, CA 4124, Untied States, (hereinafter "LICENSEE") that was executed on November 8, 2019, and for good and valuable consideration, the receipt, sufficiency, and adequacy of which are hereby acknowledged, I hereby grant to LICENSEE an exclusive license to initiate and exercise sole direction and control over the filing and prosecution of patent applications, applications for industrial design protection, trademarks, and other such applications for intellectual property rights (including all divisions, reissues, continuations, and extensions thereof) (hereinafter collectively "RIGHTS") on the inventions or designs (hereinafter "DESIGNS") referenced in Exhibit A of the TALIA LICENSE AGREEMENT and including the design claimed in this design patent application, and to obtain Letters Patent, industrial design certificates, certificates of invention, registered trademarks, and other such grants of intellectual property on the DESIGNS, this license being effective in the United States and throughout the world. I agree that I will communicate to LICENSEE, or its representatives, any facts known to me respecting the DESIGNS; testify in any legal proceedings; sign all lawful papers; execute all divisional continuation, substitution, renewal, and reissue applications; make all rightful oaths; and generally do everything possible to aid LICENSEE to obtain and enforce proper protection for the DESIGNS in any and all countries throughout the world.
