## PATENT AND COPYRIGHT ASSIGNMENT

WHEREAS, I, John Bright, whose full post office address is 3319 N. Elston Ave. Chicago, IL 60647 ("Assignor") have invented and created a certain new and ornamental designs in bottles, entitled a "BOTTLE" for which I are making an application for Letters Patent of the United States, and for which I may be making an application for registration of copyright in the United States Copyright Office.

WHEREAS, MSRF, Inc. a corporation organized and existing under and by virtue of the laws of the State of Illinois and having its principal place of business at: 3319 N. Elston Ave. Chicago, IL 60647 U.S.A. ("Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, and in and to the Letters Patent and Copyright Registration to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid, the receipt and sufficiency of which is hereby acknowledged by Assignor, said Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the said Assignee, the entire right, title and interest in and to said invention and design and all of the rights, title and interest in and to the work identified above, including all rights defined by 17 U.S.C. Section 106, as may be registered for, including any and all renewals and extensions thereof, that may be secured under the Copyright and patent laws of the United States, Canada and all other foreign jurisdictions, as fully set forth and described in the aforesaid application, and all other applications hereafter filed in the United States, Canada and foreign jurisdictions together with all future improvements thereon and additions thereto, and any and all divisional and continuing applications therefore, and any and all rights to file applications and receive patents in the United States, Canada, and foreign jurisdictions the same to be held and enjoyed by the said Assignee to the full end of the term for which Letters Patents and Copyright registrations may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made; and said Assignor hereby agrees to sign all necessary papers in connection with the prosecution and assignment of each and every of said applications.

AND, Assignor hereby authorizes and requests the Commissioner of Patents or other appropriate patent official to issue the said Letters Patent to the said Assignee, and the Register of Copyrights to issue said Copyright Registrations, of its entire right, title and interest in and to the same for the sole use and benefit of the said Assignee, its successors and assigns, until the full end of the term for which Letters Patent may be granted as fully and entirely as the same would have been held by said Assignor had this assignment not been made. Assignor further assigns all income, royalties, payments, and/or claims for damages arising out of or relating to any infringement of the Letters Patent to Assignee.

Assignor agrees to execute and deliver at the request of the Assignee, all papers, instruments, and assignments, to perform any other reasonable acts the Assignee may require in order to vest all of Assignor's rights, title and interest in and to the invention and the Letters Patent in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed

necessary by the Assignee to the extent such evidence is in the possession and control of the Assignor.

Assignor hereby warrants that Assignor has the full right to make the conveyance herein, and Assignor hereby covenants that Assignor, its heirs, legal representatives and assigns, will when requested, communicate to said Assignee, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, re-examination and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Assignee, its successors and assigns, in obtaining of letters patent.

Assignor declares that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
