PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement is between Valencia Technologies Corporation, a Delaware corporation (“**Assignor**”) with an address of 28464 Westinghouse Place, Valencia, CA 91355 and Valencia Bioscience, Inc., a Delaware corporation (“**Recipient**”) with an address of 28464 Westinghouse Place, Valencia, CA 91355. This agreement is dated July 17, 2020.

1. **ASSIGNMENT.** Assignor has provided Recipient with a variety of assets pursuant to a certain Contribution Agreement dated as of July 17, 2020 (the “**Contribution Agreement**”). Assignor states that it is the sole owner of the issued patents and patent applications listed in Schedule 1. Assignor hereby irrevocably assigns, transfers, and conveys to Recipient all of Assignor’s right, title, and interest in and to the patents and patent applications listed in Schedule 1, and all foreign counterparts of those patents and patent applications, the right of priority to file and prosecute corresponding applications in any and all jurisdictions throughout the world and the rights to all patents which may be granted from those applications, and the rights to any divisionals, renewals, continuations, continuations-in-part, reissues, reexaminations, or extensions of any of the items listed above (collectively, the “**Assigned Patents**”). This assignment includes all claims, actions, and demands arising out of the Assigned Patents, including actions for past, current, or future infringement of the Assigned Patents and the right to collect and retain all proceeds and damages for such actions.
2. **COOPERATION.** Assignor shall cooperate with Recipient to execute all documents, record all agreements or implement all instructions, in each case that are necessary or useful to effectuate the assignment of the Assigned Patents under this Agreement, including any filings with the U.S. Patent and Trademark Office (and equivalent offices outside the U.S., if applicable).
3. **CONSIDERATION.** Recipient has provided good and valuable consideration to Assignor pursuant to the Contribution Agreement for the assignment of the Assigned Patents.
4. **MISCELLANEOUS.** This agreement is governed by Delaware law.

[Signature Page Follows]

IN WITNESS WHEREOF, the parties hereto have duly executed this Patent Assignment Agreement on the date first written above.

**VALENCIA TECHNOLOGIES
CORPORATION**

Title: Chief Executive Officer

VALENCIA BIOSCIENCE, INC.

By: 

Name: Jeffrey H. Greiner

Title: Chief Executive Officer

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

STATE OF CALIFORNIA)
) ss.
COUNTY OF LOS ANGELES)

On this 31st day of AUGUST, 2020 before me, CHRISTINE BELL, Notary Public, personally appeared JEFFREY GREINER, who proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within instrument and acknowledged to me that she executed the same in her authorized capacity, and that by her signature on the instrument the person, or the entity upon behalf of which the person acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

Christine Bell
Notary Public
