ASSIGNMENT

WHEREAS, Whereas **RONALD CHAPPELL**, of 41 Kyle Street, Stittsville, Ontario, Canada K2S 1G9, and **STEPHEN DANE CAREY**, of 104 Condor Court, La Vergne, Tennessee, United States 37086, (hereinafter "the Assignors") are the inventors of a **Backdraft Damper Having Damper Blades with Opposed Movement Linkage** (the "Invention") that is disclosed in:

- United States provisional patent application no. 62/546,904 filed August 17, 2017 and entitled Backdraft Damper Having Damper Blades with Opposed Movement Linkage;
- United States patent application no. 16/104,779 filed August 17, 2018 and entitled Backdraft Damper Having Damper Blades with Opposed Movement Linkage; and
- Canadian patent application no. 3,014,981 filed August 17, 2018 and entitled Backdraft Damper Having Damper Blades with Opposed Movement Linkage (hereinafter "the Applications");

AND WHEREAS, **T.A. MORRISON & CO. INC.**, having its head office or principal place of business at 27 Iber Road, Stittsville, Ontario, Canada K2S 1E6, (hereinafter "the Assignee"), has acquired from the Assignors, their entire right, title and interest in and to the invention, in all countries of the world, including their rights to the Applications, and all related applications thereon, including any and all, international, national and regional phase applications based on the Applications, and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations and continuations-in-part, and any Letters Patent that may be obtained therefor, and in any and all reissues, extensions, renewals and reexaminations of such applications and patents;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which

is hereby acknowledged, the Assignors hereby confirm that they have assigned, and do hereby sell and assign, transfer and set over to the Assignee, all their right, title and interest for Canada, the United States of America, its territories, dependencies and possessions, and for all other countries in the world, in and to the invention, including their rights to the Applications, and all related applications and patents thereon, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by them, had this Assignment not been made.

The Assignor hereby confirms that the Applications was made or was authorized to be made by themselves and that the Assignor believes themselves to be the original inventor or joint inventor of a claimed invention in the Applications, that they believe themselves to be the original inventors or joint inventors of a claimed invention in the Applications.

The Assignors shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Applications for the invention, and all related applications and patents thereon, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignors authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any of the Applications, and all related applications and patents thereon, filed by them or the Assignee, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from the Assignor.

The Assignors authorize and empower Gilbert's LLP, of 77 King St. W, Suite 2010, PO Box 301, Toronto Dominion Centre, Toronto, Ontario, M5K 1K2, to insert

on this Assignment any further identification, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for the Applications, and all related applications thereon, to the Assignee, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

The Assignor hereby acknowledges that any willful false statement made in this assignment/declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Parties confirm their express wish that this Assignment be drawn up in the English language. *Les parties confirment leur volonté expresse que cette cession soit rédigée en langue anglaise.*
