## ASSIGNMENT

WHEREAS, Carl Freudenberg KG, having an address at Hoehnerweg 2-4; 69469  
Weinheim; GERMANY,

hereinafter referred to as Assignor, owns a whole or partial right, title and interest in a certain  
invention entitled:

BEARING

described in U.S. Patent No. 9,797,445, issued on October 24, 2017, and

WHEREAS, Trelleborg Antivibration Solutions Germany GmbH, having an address at  
Berliner Strasse 17; 16727 Velten; GERMANY,

hereinafter referred to as Assignee, is desirous of acquiring the Assignor's entire domestic and  
foreign right, title, and interest in and under the invention described in the above patent  
application.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of  
which are hereby acknowledged, Assignor assigns and transfers to the Assignee and the  
Assignee's legal representatives, successors and assigns its full and exclusive rights in and to  
the invention in the U.S. and every foreign country and its entire right, title, and interest in and  
to the patent application and other such applications (e.g., provisional applications, non-  
provisional applications, continuations, continuations-in-part, divisionals, reissues,  
reexaminations, National phase applications, including petty patent applications, and utility  
model applications) that may be filed in the United States and every foreign country on the  
invention, and the patents, extensions, or derivations thereof, both foreign and domestic, that  
may issue thereon, and Assignor does hereby authorize and request the Commissioner of  
Patents to issue U.S. patents to the above-mentioned Assignee agreeably with the terms of this  
assignment document.

UPON SAID CONSIDERATION, Assignor conveys to the Assignee the right to make  
application in its own behalf for protection of the invention in the U.S. and countries foreign  
to the U.S. and to claim under the Patent Cooperation Treaty, the International Convention  
and/or other international arrangement for any such application the date of the U.S. application  
(or any other application on the invention) to gain priority with respect to other applications.

ASSIGNOR DOES HEREBY COVENANT and agree with the Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that Assignor will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this assignment, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, reexamined, and National phase patents of the U.S. or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

By signing below, the named individuals are making a declaration that they are officers or authorized representatives of their respective organizations and have full authority to act on their behalf, and that the above statements are true.
