ASSIGNMENT OF RIGHTS: PATENT APPLICATION

I, Nagabhushanam; Kalyanam is the owner of the invention ("Assignor" as mentioned hereafter) titled "**SKIN CARE COMPOSITIONS AND THEIR APPLICATIONS**" as described in Indian provisional patent application number 2018410012637; US application number US16/372,663 and PCT application number PCT/US2019/25298

And

Sami Labs Limited located at 19/1 and 19/2, I Main, II Phase, Peenya Industrial Area, Bangalore-560058, Karnataka, India ("Assignee" as mentioned hereafter) desires to acquire all rights in and to the aforesaid Indian Patent Application number 2018410012637, US application number US16/372,663 and the PCT application number PCT/US2019/25298 and any further patent applications drawing priority from above application including convention applications and any patent (national patents, any reissues, or extensions) that may be granted thereof.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee 100% of his right, title, and interest in the invention and aforesaid Patent Application (as well as such rights in any national phase, divisions, continuations in whole or part or substitute applications) to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications) filed claiming the benefit of the Patent Application.

Assignor authorizes the Indian patent Office to issue any Patents resulting from the aforesaid Patent Applications to Assignee according to the percentage interest indicated in this assignment. The right, title and interest are to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignors further agrees to: (a) cooperate with Assignee in the prosecution of the aforesaid Applications and foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent for the invention in any and all countries.
