*ASSIGNMENT*

Whereas, we, Matteo BIANCALANA and Flavio MANZONI, Italian citizens both residing in Modena, Italy,

have invented a certain improvement in "VEHICLE WHEEL RIM"

for which we have executed an International Design Application for Letters Patent of the United States, which is based on International Design Registration No. DM/203 497 designating the United States filed on May 9, 2019, and whereas FERRARI S.p.A., an Italian-Stock Company of Via Emilia Est 1163, I-41100, Modena, Italy, is desirous of acquiring an interest therein.

Now, therefore in consideration of the sum of One Dollar, the receipt of which is hereby acknowledged, we, Matteo BIANCALANA and Flavio MANZONI,

by these presents do sell, assign and transfer unto the said FERRARI S.p.A. the full and exclusive right to the said invention, as described in the specification executed by us of even date herewith preparatory to obtaining Letters Patent in the United States therefor; and hereby request the Commissioner of Patents to issue said Letters Patent to FERRARI S.p.A.

as the assignee, for its interest, for the sole use and behoof of said FERRARI S.p.A. and its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent are granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

We hereby authorize and request our attorneys, COWAN, LIEBOWITZ & LATMAN, P.C., (Customer No. 26279) to insert here in parentheses (U.S. Design Patent Application number 35/507,740) the application number of said application when known.

Executed this 10th day of JULY , 2020
