a company organised and existing under the laws of The Netherlands, represented by
Nicola Louis Dethmers, in his capacity of singly authorized director,
hereinafter indicated as **ASSIGNEE**

declare and agree as follows concerning the patents/patent applications mentioned on the attached schedule:

1. ASSIGNOR has, on the basis of contribution of assets and by written agreement assigned and transferred, and insofar as necessary herewith assigns and transfers, to ASSIGNEE all its rights and obligations regarding the above-mentioned patents/patent applications and the inventions described therein, including any and all priority rights of the said patents/patent applications and including any and all divisionals and continuations thereof and patents granted thereon, and including all causes of action (whether known or unknown or whether (1) previously filed in court and currently pending or (2) filed with a court in the future) and other enforcement rights under or on account of the said patents/patent applications, including, without limitation, all causes of action and other enforcement rights for:
(i) damages for past, current, and future infringement;
(ii) injunctive relief, and
(iii) any other remedies of any kind for past, current, and future infringement.
2. ASSIGNEE has by written agreement accepted, and insofar as necessary herewith accepts, this assignment and transfer with all rights and obligations.
3. ASSIGNOR and ASSIGNEE wish, request and authorise that this assignment and transfer are recorded in the applicable registers, and that ASSIGNEE is registered as patentee/applicant.

This agreement may be executed in counterparts, each of which will be deemed an original, and all of which together constitute one and the same instrument.

Signed in multiple originals.
