## PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement ("Patent Assignment") is dated Sept 9, 2020 and is made by Aware Mobility, LLC, a Michigan limited liability company with an address of 885 Oakdale Rd., Ann Arbor, Michigan 48105 ("Assignor"), in favor of Neapco Intellectual Property Holdings, LLC, a Delaware limited liability company with an address of 38900 Hills Tech Drive, Farmington Hills, Michigan 48331 ("Assignee").

**1. Assignment.** In accordance with the Consulting Services Agreement dated June 2, 2017, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following (the "Assigned Patents"):

(a) the United States and foreign patents and patent applications set forth in Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, renewals, or any other patents and patent applications which claim priority thereof, and any and all inventions disclosed or claimed in any of the foregoing;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world; and

(c) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

**2. Recordation and Further Actions.** Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of corresponding entities and agencies in any applicable jurisdictions to record and register this Patent Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, and other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Patents to Assignee, or any assignee or successor thereto.

### **3. Miscellaneous.**

(a) This Patent Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Patent Assignment delivered by means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Patent Assignment.

(b) The undersigned hereby grant the firm of Dickinson Wright PLLC and its attorneys the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or any other foreign patent offices, for recordation of this document.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Patent Assignment to be executed as of the date first written above by their respective duly authorized officers.
