ASSIGNMENT

WHEREAS, Nathaniel R. Storey, whose residence is P.O. Box 6, Laramie, Wyoming 82073; (herein called "ASSIGNOR"); having invented a certain new and useful invention for VERTICAL HYDROPONIC PLANT PRODUCTION APPARATUS, for which he is about to make application for Letters Patent of the United States;

WHEREAS, the UNIVERSITY OF WYOMING (herein call "ASSIGNEE"), having a principle place of business at Laramie, Wyoming 82071, is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to each in hand paid, and other good and valuable consideration the receipt of which is hereby acknowledged, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said invention, and the said United States Application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for Industrial property protection, including, without limitation, all applications for protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United states, together with the right to file such applications and the right to claim for the same the priority of the United States, the International Conventions for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patent, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extension, renewals and reissues thereof;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents and Trademarks for the United States, and any Official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence of forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND ASSIGNOR HEREBY covenants and agrees that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith;

AND ASSIGNOR HEREBY further covenants and agrees that each will sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, ASSIGNOR hereunto sets each of his hand and seal the day and year set opposite his signature.

Dated: 8/7/2010
