Assignment of Rights to Patent

This Agreement is between Savvysherpa, Inc. ("Assignor"), a Minnesota corporation located at 6200 Shingle Creek Parkway, Suite 400, Minneapolis, Minnesota 55430, and Fortify Technologies, LLC ("Assignee"), a Minnesota limited liability company, located at 6200 Shingle Creek Parkway, Suite 400, Minneapolis, Minnesota 55430.

RECITALS

WHEREAS, Assignor owns all right, title and interest in and to an invention titled "Accelerometer-based Systems and Methods for Quantifying Steps," as described in a non-provisional U.S. Patent Application ("the Patent Application") which is assigned attorney docket number S191V.0010USP.

WHEREAS, Assignor desires to assign to Assignee all of its right, title and interest in and to the Patent Application, the patent (and any reissues or extensions) that may be granted from the Patent Application.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENT

1. **Assignment.** As of the date hereof, Assignor assigns and transfers all of its right, title and interest in and to the invention, the Patent Application (as well as such rights in any divisions, continuations in whole or part or substitute applications), and any patents that may issue therefrom to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications) filed claiming the benefit of the Patent Application.
2. **Acceptance.** Assignee accepts the assignment of Assignor's entire right, title, and interest to the invention, the Patent Application and any patents that may issue therefrom.
3. **Miscellaneous.** This Agreement shall be binding on and inure to the benefit of the parties and their successors and assigns. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. A signature page delivered by fax, .pdf file or other electronic means will be deemed an original for all purposes. Any party shall, however, deliver an original signature of this Agreement to the other party upon request. Each party warrants to the other that it has full power and authority to execute and perform this Agreement in accordance with its terms without the consent or approval of any third party. If any provision of this Agreement is held by the final judgment of any court of competent jurisdiction to be illegal, invalid or unenforceable, the validity of the remaining portions or provisions must not be impaired or affected, and the rights and obligations of the parties must be construed and enforced as if this Agreement did not contain that certain part, term or provision held to be illegal, invalid or unenforceable. This Agreement constitutes the entire agreement between Assignor and Assignee with respect to the subject matter hereof, supersedes all prior agreements, whether written or oral, between the parties and may be amended or altered only by written agreement executed by both parties. This Agreement and the rights and obligations of the parties hereto, must be construed and enforced in accordance with the laws of the state of Minnesota and federal laws of the United States, without application of the conflicts of law provisions of any jurisdiction.
