ASSIGNMENT

THIS ASSIGNMENT, made personally by me, **JOHN OATES**, a citizen of Australia residing at 68/3197 Princes Highway, Millingandi NSW 2549, Po Box 456, Merimbula, NSW 2548, Australia, hereinafter referred to jointly and/or singly as Assignor;

WITNESSETH: That,

WHEREAS, the above-named Assignor is the owner of the entire right, title, and interest in and to certain new and useful improvements in *Echeveria hybrid 'LORI'* for which a plant patent application has been filed, or is being concurrently filed in the United States Patent and Trademark Office, I hereby authorize and request **Morgan Oates & Brown Pty Ltd**, to insert in parentheses (Application No. 17/017,556, filed September 15, 2020) the filing date and application number of said application when known or to file this Assignment concurrently with the application; and

WHEREAS, **Morgan Oates & Brown Pty Ltd**, a corporation having its principal place of business at 63 Wills Road, Macquarie Fields, NSW 2564, AUSTRALIA, hereinafter referred to as the Assignee, is desirous of acquiring the entire right, title and interest in and to the said invention as described in said plant patent application, and in and to any and all Letters Patent which shall be granted therefore in the United States of America and all of the other countries of North America, Central America, and South America and all countries, territories and islands within four hundred (400) miles of North America, South America or Central America, including but not limited to Puerto Rico and the Caribbean Islands;

NOW, THEREFORE, To All Whom It May Concern, be it know that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and plant patent application, and in and to any and all subsequent patent applications which claim the benefit of priority from said application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all of the other countries of North America, Central America and South America and all countries, territories and islands within four hundred (400) miles of North America, Central America and South America, including but not limited to Puerto Rico and the Caribbean Islands, or reissued or other forms of protections thereof which may be granted to the invention in or on applications claiming the benefit of priority from said application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefore, together with the right to claim the benefit of priority from said application in the United States of America and all of the other

countries of North America, Central America and South America and all countries, territories and islands within four hundred (400) miles of North America, Central America and South America, including but not limited to Puerto Rico and the Caribbean Islands, in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

The assignor hereby requests that said Letters Patent be issued in accordance with this assignment.

I further covenant and agree that, at the time of the execution and delivery of these presents, Assignor possesses full title to the invention and application above-mentioned, and that I have the unencumbered right and authority to make this assignment.

The Assignor further covenants and agrees to promptly communicate to said Assignee or its representatives any facts known to the Assignor relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and the Assignor hereby instructs, and further covenants and agrees to bind its legal representatives and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this 19th day of August, 2020.
