Crull, residing at McFarland, WI, Simon Livingston-Jha, residing at Madison, WI, William R. Mathias, residing at Middleton, WI, Evan Sparks, residing at Cottage Grove, WI, Joel Kramka, residing at Madison, WI, Montel Caruthers, residing at Madison, WI, and Henry M. Hillstrom, residing at Chicago, IL, (hereinafter “Assignors”) have invented certain new and useful inventions and improvements (hereinafter “Invention”) described in the United States patent application entitled PORTABLE GRILLS for which Assignors are making or have made application for LETTERS PATENT OF THE UNITED STATES, which application was filed on September 18, 2020, as Application No. 17/025,401;

WHEREAS, Weber-Stephen Products LLC, a limited liability company organized and existing under the laws of the State of Delaware, USA, having a place of business at 1415 Roselle Road, Palatine, Illinois 60067, USA (hereinafter called “the Assignee”), is desirous of acquiring the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any United States or foreign LETTERS PATENT that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignors have assigned, sold and transferred, and do assign, sell and transfer to the Assignee, its successors and assigns, their entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any LETTERS PATENT of the United States and foreign countries, including utility models, inventor’s certificates and like government grants that may be granted for any and all portions thereof, and in and to the patent application identified above and applications for patent filed for the Invention in all foreign countries and all provisional, divisional, reissue, continuation, continuation-in-part applications and extensions of any of the applications for patent or LETTERS PATENT identified herein, including all applications claiming the priority of said applications for patent or LETTERS PATENT identified herein, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to Assignors by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to extend the protection of the United States LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America.
