OATH/DECLARATION AND ASSIGNMENT

Title: FASTENER DEVICE WITH CAM ASSEMBLY

As a below named inventor, I/we hereby declare that:

1. This declaration is directed to:

- The attached application, or
- United States application, or PCT international application, number 15/910,960, filed on March 2, 2018.

2. The above-identified application was made or authorized to be made by me.

3. I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

4. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

5. I have reviewed and understand the contents of the above-identified application and am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, Sec. 1.56.

AND WHEREAS, SHUR-A-TAK TECHNOLOGIES LLC, a domestic limited liability company of the State of Ohio, having an address of 4530 Paradise Road, Seville, Ohio, 44273, hereinafter called the Assignee, is desirous of acquiring the entire right, title and interest in and to said application and the inventions therein disclosed and any letters patent that may issue thereon;

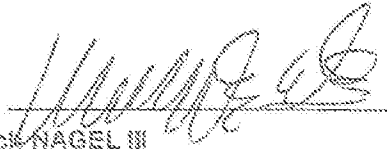

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, receipt whereof is hereby acknowledged, I/we hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest in and to said application, any application claiming priority therefrom, any non-provisionals, divisions or continuations thereof, and the inventions therein disclosed, and any improvements thereon, and any patent or patents that may be issued or reissued thereon, and I/we hereby authorize and request the Commissioner of Patents and Trademarks to issue any letters patent thereon, and reissues thereof, to said Assignee, its successors and assigns; and I/we hereby authorize said Assignee, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States application or otherwise, and to secure in its own name the patent or patents issued thereon; and I/we hereby agree that, upon request, I/we will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns, may consider necessary in connection with said United States application, and in connection with any other United States or foreign applications that may be

filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon.

The undersigned hereby grants the attorneys associated with Customer No. 27805 the power to insert in this assignment any further identification that may be necessary or desirable in order to aid in the recordation of this document.
