ASSIGNMENT

WHEREAS **CETATEK HOLDINGS INC.**, whose address is 900 Clipper Place, Bowen Island, BC, V0N 1G2, Canada (hereinafter the "Assignor"), is the owner of the inventions and discoveries as described and set forth in the patent applications (hereinafter the "Applications") and in the patents (hereinafter the "Patents"), as identified in Schedule "A" attached hereto;

AND WHEREAS **HIEBLER SPORTS GMBH**, whose address is Fabrikstrasse 36 8510 Stainz, Austria (hereinafter the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions and discoveries described in said Applications and Patents, in and to the Applications and Patents themselves, and in and to any patents which may be granted on the Applications;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Assignor, the Assignor does hereby sell, assign, transfer, and set over unto the Assignee, and its successors and assigns, the entire right, title, and interest in and to the inventions and discoveries described in said Applications and Patents, in and to the Applications and the Patents themselves, including all priority rights derived from the Applications, in and to any continuations or divisions of the Applications, in and to any and all Letters Patent which may be granted upon the Applications or upon any continuations or divisions of the Applications, and in and to any and all reissues, substitutions, or prolongations of the Patents or of any and all Letters Patent which may be granted upon the Applications or upon any continuations or divisions of the Applications, the same to be held and enjoyed by the Assignee for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term or terms for which said Letters Patent or reissues, substitutions, or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment and sale not been made;

AND, the Assignor hereby agrees that, upon request, and without further consideration, but at the expense of the Assignee, the Assignor will communicate to the Assignee or its representatives or nominees any facts known to the Assignor respecting said inventions and discoveries described in said Applications and Patents and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths and generally aid the Assignee and its successors, assigns, representatives, and nominees to obtain and enforce proper patent protection for said inventions and discoveries described in said Applications and Patents in all countries, and the Assignor further agrees to execute any and all further papers which may be necessary or desirable to vest or perfect the title of the Assignee, and its successors and assigns, in and to said inventions and discoveries described in said Applications and Patents, and in and to all

Letters Patent or reissues thereof which have been granted and that may be granted in any and all countries for said inventions and discoveries.
