ASSIGNMENT

WHEREAS, **Andrew J. Schwartz**, residing at *7963 Prairie Knoll Court, Las Vegas, Nevada 89113, United States of America*, (hereinafter collectively referred to as “the Assignor(s)”), are the inventor(s) of certain invention(s) or improvement(s) already described and/or claimed or to be described and/or claimed in one or more of the following:

- U.S. continuation application no. 17/015,596 entitled **Touchpoint-Dependent Transactions**, filed on 09/09/2020 as docket no. 1231.031CON.

If not already inserted, I hereby authorize and request the law firm of **Mendelsohn Dunleavy, P.C.**, of *1500 John F. Kennedy Blvd., Suite 312, Philadelphia, Pennsylvania 19102, United States of America*, to insert herein the application number(s), title(s), filing date(s), and docket number(s) of said application(s) when known.

WHEREAS, **Global Payments Gaming Services Inc.**, *7201 W. Lake Mead Blvd., Suite 501, Las Vegas, Nevada 89128, United States of America*, (hereinafter referred to as “the Assignee”), is desirous of acquiring the entire right, title and interest in and to the said invention(s) or improvement(s) and in and to the said application(s), and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries:

NOW, THEREFORE, for and in consideration of the sum of good and valuable consideration, the receipt of which is hereby acknowledged, we, the said assignor(s), have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over to said assignee, the entire right, title, and interest in and to said invention(s) or improvement(s) and said application(s) including the right to claim priority to the application(s) in any application entitled to claim such priority under national law, international conventions, treaties, or otherwise, and any and all continuations, divisions, and renewals of and substitutes for said application(s), and in, to, and under any and all Letters Patents which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions or reexamination or reexaminations of said Letters Patent(s), and assign to and authorize said assignee, to file in our name applications for Letters Patents in all countries, the same to be held and enjoyed by said assignee, its successors, assigns, nominees, or legal representatives, to the full end of the term or terms for which said Letters Patent(s) respectively may be granted, reissued, or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale, and transfer not been made.

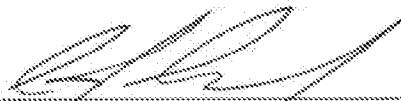

AND we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application(s) and said Letters Patent(s) to said assignee, its successors, assigns, nominees, or legal representatives, and we agree to communicate to said assignee or to its nominee all known facts respecting said invention(s) or improvement(s), said

application(s) and said Letters Patent(s), to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue, reexamination, and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said assignee, its successors, assigns, nominees, and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said invention(s) or improvement(s) in any and all countries.

AND we hereby authorize and request the Director – U.S. Patent and Trademark Office and any official of any country or countries foreign to the United States whose duty it is to issue patent(s) on application(s) as aforesaid, to issue to said assignee, as assignee of the entire right, title, and interest, any and all Letters Patents for said invention(s) or improvement(s), including any and all Letters Patents of the United States which may be issued and granted on or as a result of the application(s) aforesaid, in accordance with the terms of this assignment.
