ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

THIS ASSIGNMENT is granted by **T. Brandon Hunt**, (hereinafter also referred to as **ASSIGNOR**), a United States citizen, having a current address of 2615 McKinley Street, Hollywood, Florida 33020.

WHEREAS, ASSIGNOR, was employed by and worked for International Medical Industries, Inc. for a number of years, and while employed there made and/or contributed to several inventions, eight of which are the subject of in whole or in part, applications for Letters Patent of the United States of America and list the **ASSIGNOR** as one of the named inventors, as follows:

- (1) U.S. Patent Application 15/842,328 related to a Tamper Evident Assembly;
- (2) U.S. Patent Application 15/856,714 related to a Tamper Evident Closure Assembly;
- (3) U.S. Patent Application 15/985,528 related to a System For Handling And Dispensing A Plurality of Products;
- (4) U.S. Patent Application 16/377,567 related to an Oral Syringe Dispensing Adaptor;
- (5) U.S. Patent Application 16/299,354 related to a Closure Assembly Having a Snap-Fit Construction;
- (6) U.S. Patent Application 16/599,918 related to a Tamper Evident Assembly;
- (7) U.S. Patent Application 15/908,237 related to a Tamper Evident Cap For Medical Fitting; and
- (8) U.S. Patent Application 15/939,029 related to a Tamper Evident Cap For Medical Fitting.

WHEREAS, ASSIGNOR signed and executed an Employment Agreement on April 18, 2014, and further contractually agreed for good and valuable consideration that any inventions, concepts, or discoveries, whether or not patentable, that **ASSIGNOR** conceived, reduced to practice, made, or contributed, either alone or in conjunction with others, at any time during **ASSIGNOR'S** employment with International Medical Industries Inc. ("IMI"), including all patents that may issue therefor, are the sole and exclusive property of IMI, for IMI's own use and enjoyment, and to provide reasonable assistance to IMI on such matters, such as signing necessary documents associated therewith, without additional compensation.

WHEREAS, International Medical Industries, Inc. ("IMI") is a corporation organized and existing under the laws of the state of Florida, with a current address of 2981 Gateway Drive, Pompano Beach, Florida 33069 (hereinafter referred to as **ASSIGNEE**) and is desirous of ensuring that ownership of the entire right, title, and interest in and to the aforesaid invention(s) and patent applications are reflected in the name of IMI as the **ASSIGNEE**, and therefore wishes to document and record the prior transfer of rights by **ASSIGNOR** in the same, whether said U.S. patent applications are alive or not, and to any U.S. Letters Patent which may issue therefrom, and to any related patent applications (whether a continuation, continuation-in-part, divisional, reissue, reexamination, etc.), whether U.S. or foreign, including any Letters Patent to be obtained therefor and/or thereon; and

NOW, THEREFORE, ASSIGNOR hereby confirms and ratifies his prior assignment and transfer to **ASSIGNEE**, as contractually obligated by ASSIGNOR in his executed Employment Agreement with ASSIGNEE, and does hereby assign and transfer unto **ASSIGNEE**, its successors and assigns, for the territory of the United States of America, and for all foreign countries, the entire right, title, and interest in and to the aforesaid invention(s) and the above-noted patent applications, and to any and all Letters Patent that may issue thereon, and to any reissues and extensions thereof, and further in and to any divisional, continuation, or continuation-in-part of said applications, (including the right to apply for Letters Patent in its own name and to claim any priority rights for such applications under applicable laws or otherwise), to be held and enjoyed as fully and exclusively as they would have been by **ASSIGNOR**, had an assignment and transfer not been made, including the right to sue for all past and future damages related thereto.

ASSIGNOR hereby grants the patent practitioners at MALLOY & MALLOY, P.L. associated with CUSTOMER NUMBER 04219 the power to insert on this Assignment any further identification (such as but not limited to filing details associated with any further Non-provisional application(s) that may be filed after the date this Assignment is executed) as may be deemed necessary or desirable in order to comply with the rules of the United States Patent & Trademark Office for recordation of this document, including as may be necessary with a foreign Patent Office.

ASSIGNOR hereby requests the Commissioner of Patents and Trademarks to issue any Letters Patent on any of the aforesaid application(s), or any divisional, continuation, or continuation-in-part applications thereof, to **ASSIGNEE**, for the sole use and benefit of **ASSIGNEE**, its successor, legal representatives and assigns.

IN WITNESS WHEREOF, this document has been executed by **ASSIGNOR**, on the date under his name.

ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

THIS ASSIGNMENT is granted by **Robert Banik** (hereinafter also referred to as **ASSIGNOR**), a United States citizen having a current address of 4153 Mahogany Lane, Hollywood, Florida 33021, and **Patrick Vitello**, (hereinafter referred to as **ASSIGNOR**), a United States citizen, having a current address of 255 S. Cypress Avenue, No. 305, Pompano Beach, Florida 33060.

WHEREAS, ASSIGNOR, is currently employed by and has been employed for several years with **International Medical Industries Inc.**, and while employed there made and/or contributed to several inventions, one of which relates to a TAMPER EVIDENT ASSEMBLY in the nature of a TAMPER EVIDENT TUBE SET FOR MALE OR FEMALE CONNECTORS, for which one or more applications for Letters Patent of the United States of America have been filed, namely Provisional patent applications having Serial No. 62/434,221 and Serial No. 62/434,240, both of which were filed on December 14, 2016 and thereafter, a Non-Provisional patent application having Serial No. 15/842,328 filed on December 14, 2017, which list **ASSIGNOR** as one of the named inventors.

WHEREAS, International Medical Industries, Inc. ("IMI") is a corporation organized and existing under the laws of the state of Florida, with a current address of 2981 Gateway Drive, Pompano Beach, Florida 33069 (hereinafter referred to as **ASSIGNEE**) and was and still is desirous of acquiring the entire right, title, and interest in and to the aforesaid invention(s) and having the aforesaid patent applications reflected in the name of IMI as the **ASSIGNEE**, and therefore wishes to document and record the transfer of rights by **ASSIGNOR** in the same, whether said U.S. patent applications are alive or not, and to any U.S. Letters Patent which may issue therefrom, and to any related patent applications (whether a continuation, continuation-in-part, divisional, reissue, reexamination, etc.), whether U.S. or foreign, including any Letters Patent to be obtained therefor and/or thereon; and,

NOW, THEREFORE, in exchange for Ten (\$10.00) U.S. Dollars and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **ASSIGNOR** agrees to assign and transfer and does hereby assign and transfer unto **ASSIGNEE**, its successors and assigns, for the territory of the United States of America, and for all foreign countries, the entire right, title, and interest in and to the aforesaid invention(s) and the above-noted patent applications, and to any and all Letters Patent that may issue thereon, and to any reissues and extensions thereof, and further in and to any divisional, continuation, or continuation-in-part of said applications, (including the right to apply for Letters Patent in its own name and to claim any priority rights for such applications under applicable laws or otherwise), to be held and enjoyed as fully and exclusively as they would have been by **ASSIGNOR**, had an assignment and transfer not been made, including the right to sue for all past and future damages related thereto.

For the same consideration, **ASSIGNOR** further agrees to:

1. execute all papers necessary, regarding any or all of the aforesaid patent application(s), and any continuing application(s) (whether a continuation, divisional, or continuation-in-part), reissue, reexamination or corresponding application(s) thereof or claiming priority thereto, whether U.S. or foreign, and also to execute

separate assignments in connection with such application(s) as the **ASSIGNEE**, or its successors and assigns, may deem necessary or expedient; and,

2. execute all papers necessary, in connection with any proceeding inside the U.S. Patent & Trademark Office and/or its Patent Trial & Appeal Board, and/or any patent enforcement action (judicial or otherwise) related to any or all of the aforesaid patent application(s), and any continuing application(s) (whether a continuation, divisional or continuation-in-part), or reissue or reexamination application(s) thereof or corresponding applications therefor or claiming priority thereto, whether U.S. or foreign, and to cooperate with the **ASSIGNEE** in every way possible in providing or obtaining evidence and going forward with any such proceeding and/or patent enforcement action.

ASSIGNOR hereby represents and warrants to **ASSIGNEE**, its successors and assigns, that he has the right to convey the entire interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict therewith;

ASSIGNOR hereby grants the patent practitioners at MALLOY & MALLOY, P.L. associated with CUSTOMER NUMBER 04219 the power to insert on this Assignment any further identification (such as but not limited to filing details associated with any further Non-provisional application(s) that may be filed after the date this Assignment is executed) as may be deemed necessary or desirable in order to comply with the rules of the United States Patent & Trademark Office for recordation of this document, including as may be necessary with a foreign Patent Office.

ASSIGNOR hereby requests the Commissioner of Patents and Trademarks to issue any Letters Patent on any of the aforesaid application(s), or any divisional, continuation, or continuation-in-part applications thereof, to **ASSIGNEE**, for the sole use and benefit of **ASSIGNEE**, its successor, legal representatives and assigns.

IN WITNESS WHEREOF, this document has been executed by **ASSIGNOR**, on the date shown next to or under his name.
