Hereinafter jointly or individually called "the Parties" or "the Party".

RECITALS

[REDACTED]

Whereas over the course of their contractual relationship the Inventor collaborated with the Company in the development of an adjustable cannula for the injection of cement (*hereinafter called "the Product"*).

Whereas an application for a French patent covering the Product was filed with the National Institute of Intellectual Property on September 16, 2015 under the number FR 1558697,

[Initials]

AS A RESULT OF WHICH THE FOLLOWING HAS BEEN AGREED:

Preliminary article - Definitions

Contractual Patent means the application for a French patent, 1558697, filed on September 16, 2015 in the name of Vexim, entitled "Control mechanism with adjustable rod", and any foreign patent application filed claiming the priority of this patent application, as well as any application for division, addition, continuation or partial continuation or application for reexamination, and any patent issued or re-issued based on one of these patent applications.

Territory means the whole world.

Product means the adjustable cannula described and claimed in the Contractual Patent.

Article I - Subject of the Contract

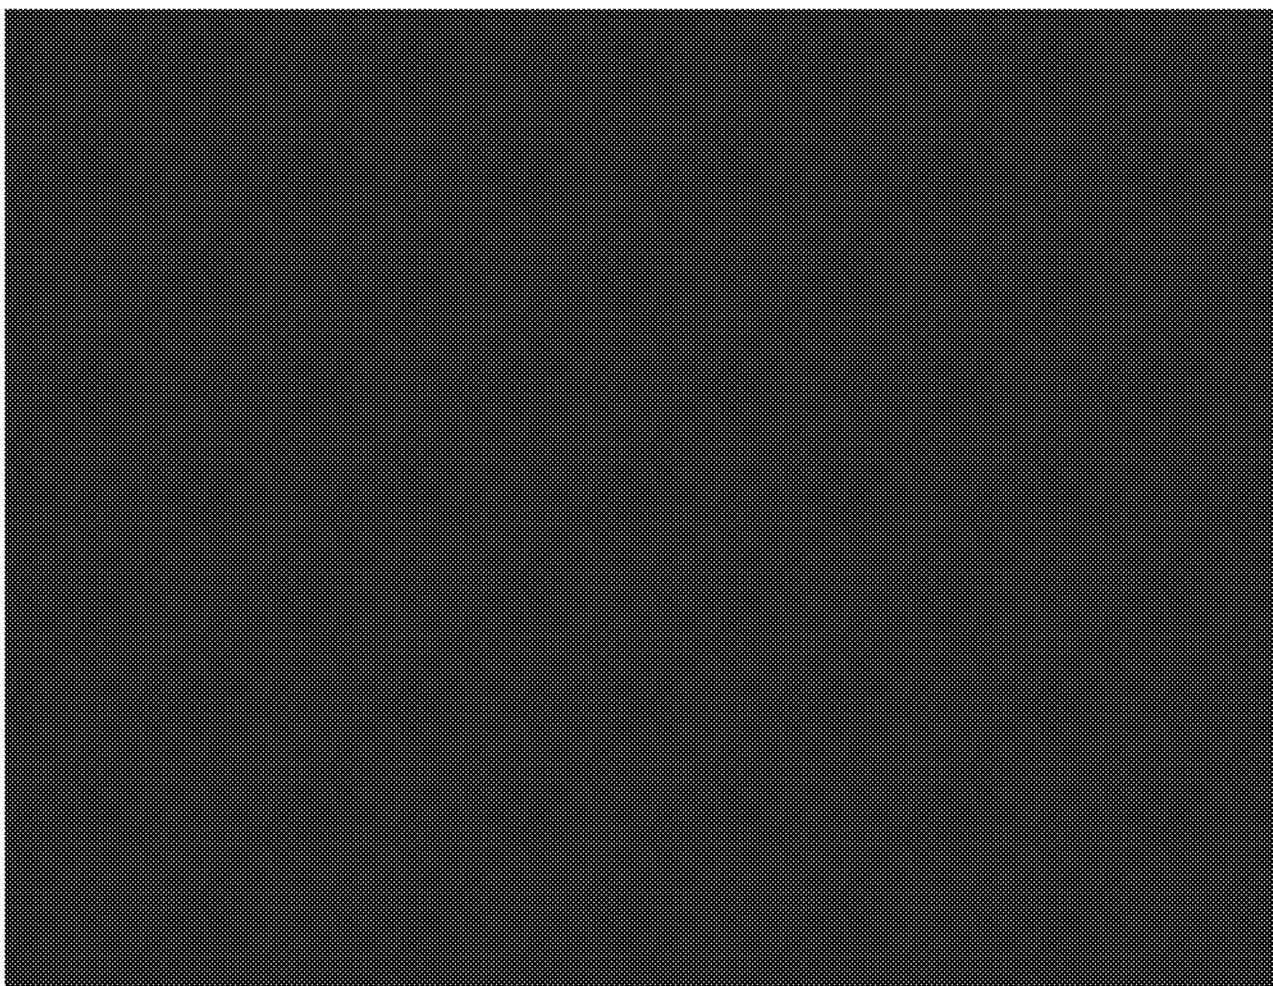

- 1.1 By this contract, the Inventor assigns and transfers to the Company, which accepts them, all his rights to the ownership and exploitation of the Contractual Patent.

[initials]

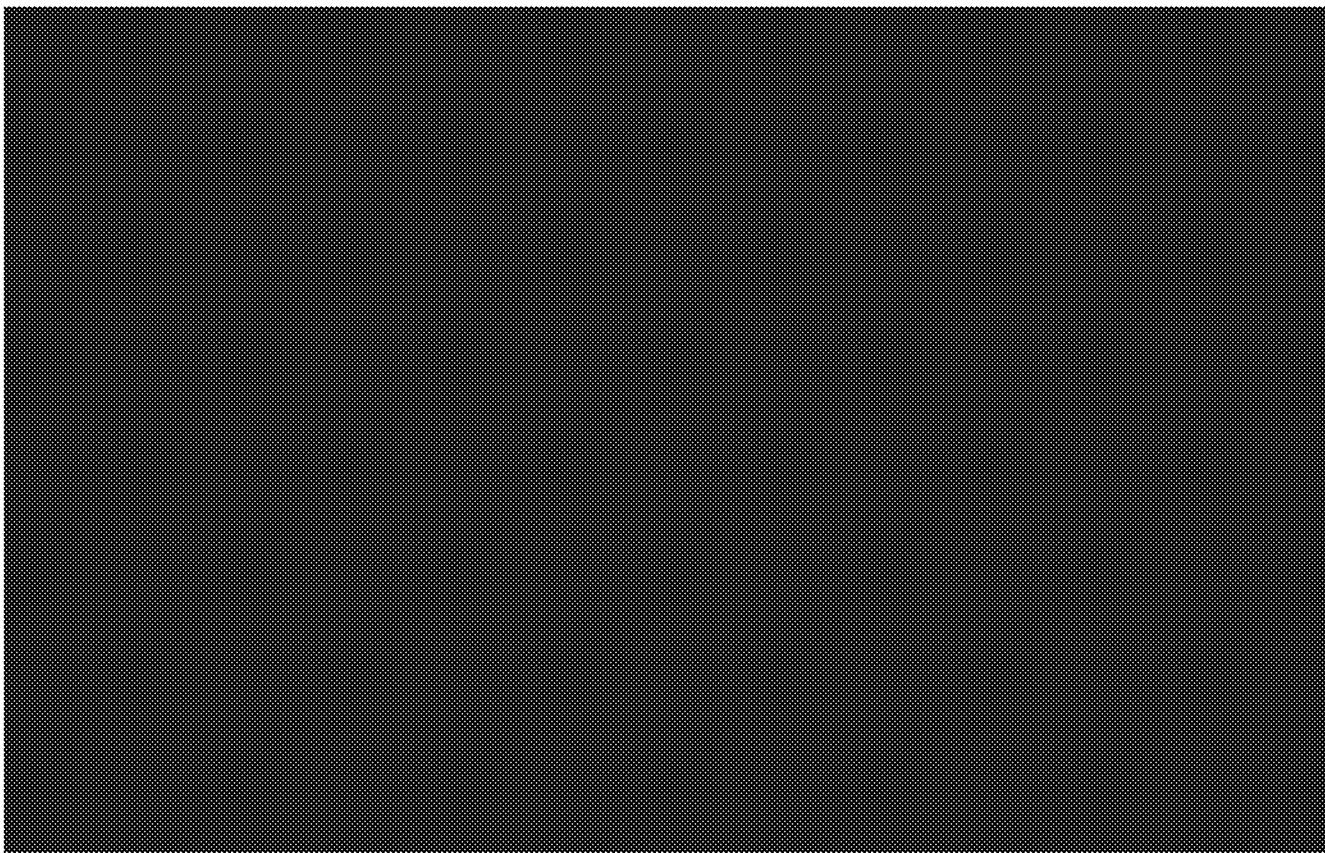

- 1.2 The Inventor likewise assigns to the Company, which accepts it, the priority right created by the Contractual patent. The Company may therefore claim the priority right created by the filing of the French patent application FR 1558697, in accordance with Article 4 of the Paris Convention.

Article 2 – Effects of the assignment

- 2.1 This assignment shall become effective on the date of the filing of application FR 1558697.
- 2.2 Starting from the effective date of the assignment, the Company shall be subrogated to all the rights of the Inventor. In particular, the Company shall have the right to undertake, at its expense, all the procedures necessary to protect the invention that is the subject of the Contractual Patent, in France and abroad. The Company may decide at its discretion to uphold or not uphold the Contractual Patent in any particular country.

[initials]

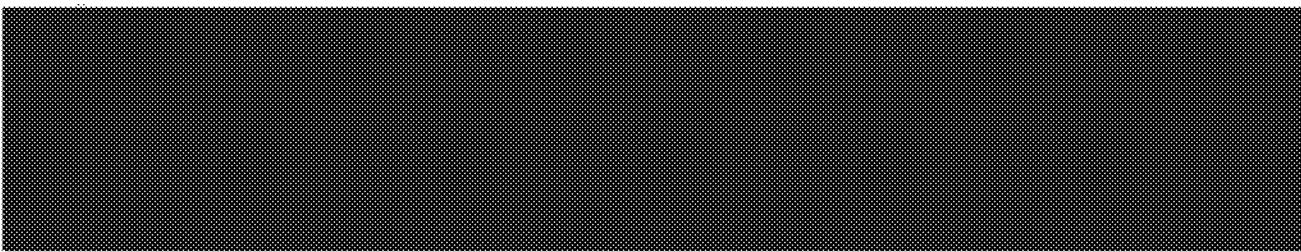

Article 6 – Term

This Contract shall come into effect on the last date of signature thereof. It shall remain in effect until the later of the following two dates: i) the expiration or invalidation of the last Contractual Patent covering the manufacture, use or sale of the Product or ii) in the countries not covered by a Contractual Patent, September 16, 2035.

Ci-après dénommé « l'INVENTEUR »

D'autre part,

Dénommées conjointement ou individuellement ci-après « Les parties » ou « La partie ».

EXPOSE PREALABLE

ATTENDU qu'en cours de leur relation contractuelle, l'INVENTEUR a collaboré avec la SOCIETE au développement d'une canule orientable d'injection de ciment (Ci-après dénommée « le Produit »).

ATTENDU qu'une demande brevet français couvrant le Produit a été déposée à l'Institut National de la Propriété Industrielle en date du 16 Septembre 2015 sous le numéro FR 1558697.

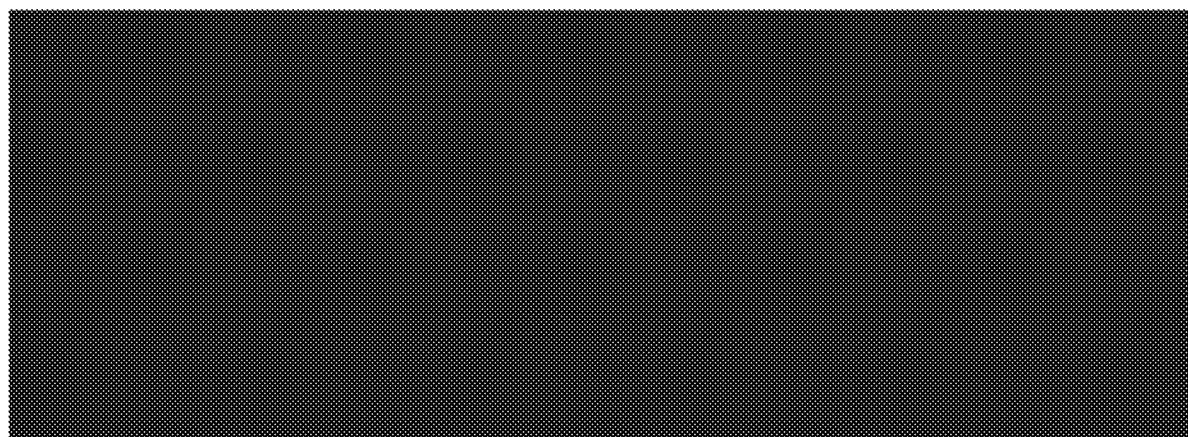

EN CONSEQUENCE DE QUOI IL EST CONVENU CE QUI SUIT :

Article Préliminaire – Définitions

Par Brevet du Contrat, on entend la demande de brevet français 1558697 déposée le 16 septembre 2015 au nom de VEXIM intitulée « Mécanisme de contrôle de tige orientable », et toute demande de brevet étranger déposée sous priorité de cette demande de brevet, ainsi que toute demande de division, addition, continuation ou continuation in part ou demande de réexamen et chaque brevet qui délivré ou est re-délivré sur la base de l'une de ces demandes de brevets.

Par Territoire, on entend le monde entier.

Par Produit, on entend la canule orientable décrite et revendiquée dans le Brevet du Contrat.

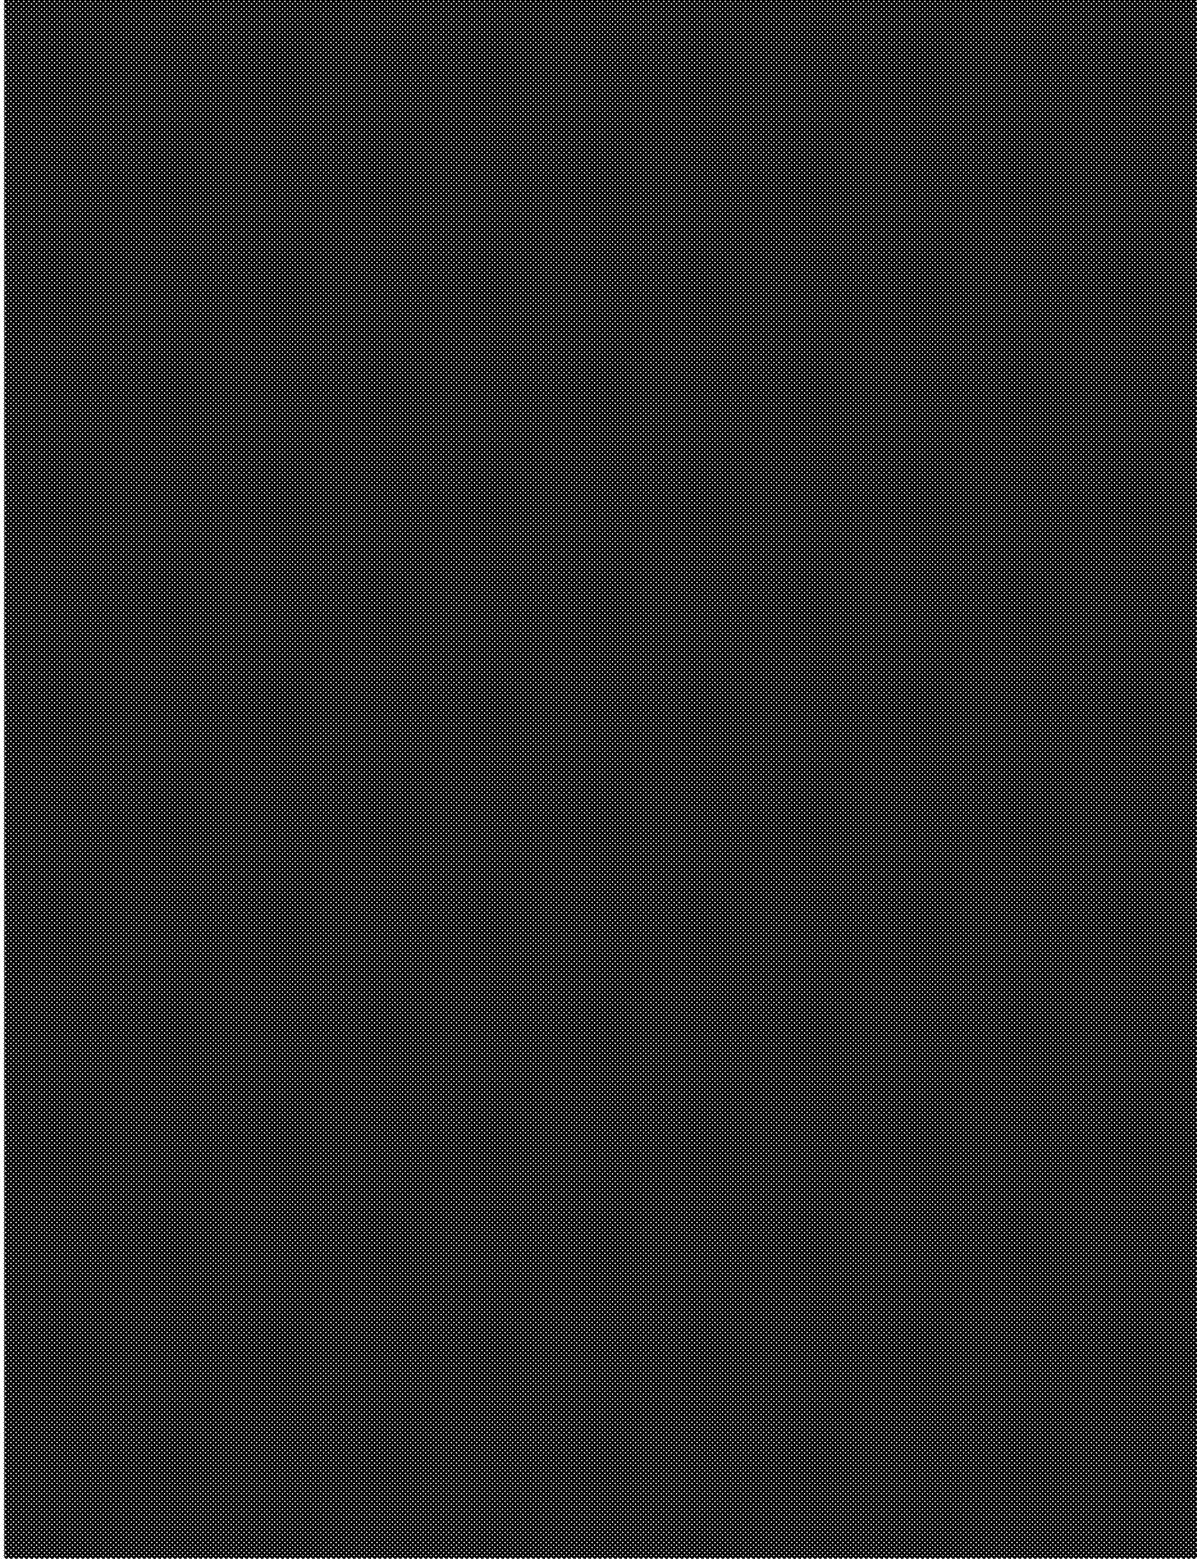

Article 1 – Objet du contrat

- 1.1 Par le présent contrat, l'INVENTEUR cède et transfère à la SOCIETE qui l'accepte, tous ses droits de propriété et d'exploitation du Brevet du Contrat.
- 1.2 L'INVENTEUR cède également à la SOCIETE qui l'accepte le droit de priorité générée par le Brevet du Contrat. La SOCIETE peut donc se prévaloir du droit de priorité générée par le dépôt de la demande de brevet français FR.1558697, conformément à l'article 4 de la Convention d'Union de Paris.

Article 2 – Effets de la cession

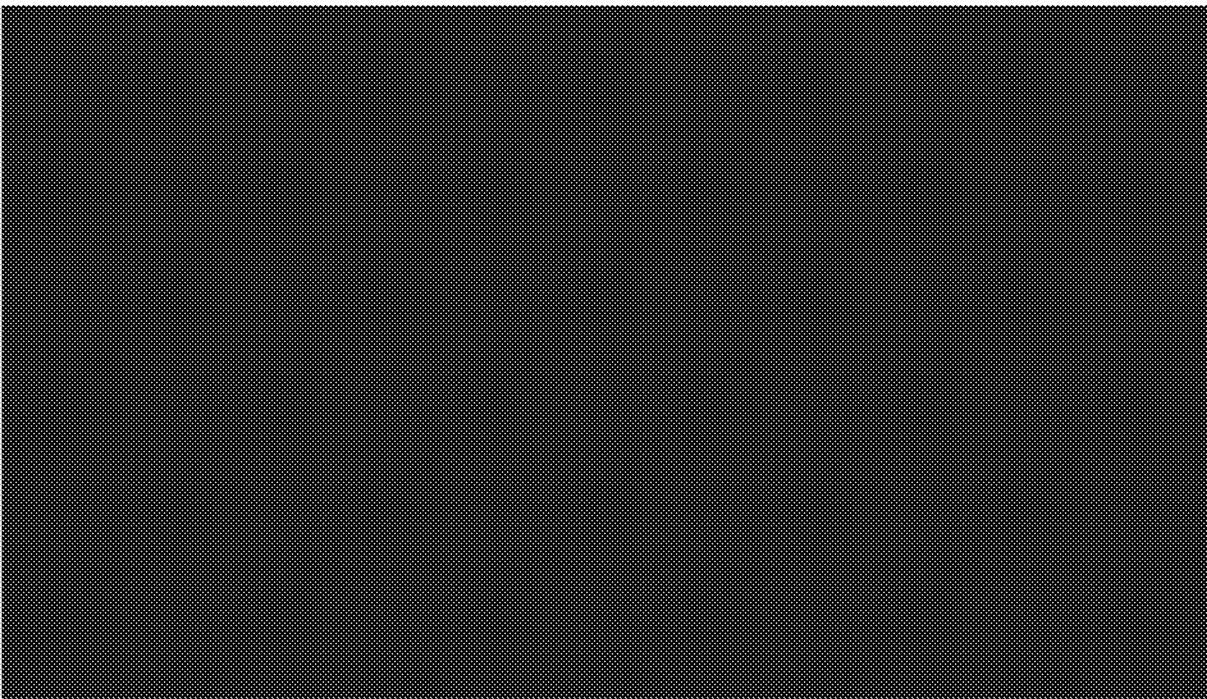

- 2.1 Cette cession prend effet au jour du dépôt de la demande FR.1558697.
- 2.2 À compter de la prise d'effet de la cession, la SOCIETE est subrogé dans tous les droits de l'INVENTEUR. La SOCIETE aura notamment le droit d'entreprendre, à ses frais, toutes les démarches nécessaires pour protéger l'invention objet du Brevet du Contrat, en France comme à l'étranger. La SOCIETE pourra décider librement du maintien ou non du Brevet du Contrat dans un pays considéré.

Article 6 – Durée

Le présent Contrat entrera en vigueur à la dernière date de signature des présentes. Il restera en vigueur jusqu'à la plus tardive des deux échéances suivantes : i) l'expiration ou l'invalidation du dernier Brevet du Contrat couvrant la fabrication, l'utilisation ou la vente du Produit ou ii) dans les pays qui ne sont pas couverts par un Brevet du Contrat, jusqu'au 16 septembre 2035.
