**PATENT ASSIGNMENT**

**WHEREAS, Georgia O'Keeffe Museum** (hereafter "Assignor"), having an address of 217 Johnson Street, Santa Fe, New Mexico 87508, is the owner of the patent properties identified on Exhibit A and the inventions described and claimed therein (hereafter the "Patent Properties"); and

**WHEREAS, GOKM Innovations, Inc.** (hereafter "Assignee"), having an address of 217 Johnson Street, Santa Fe, New Mexico 87508, desires to acquire all right, title and interest in and to the Patent Properties.

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, all its right, title and interest in and to the Patent Properties, as well as all provisionals, continuations, divisions, and continuations-in-part of said Patent Properties, and all reissues and extensions thereof, the same to be held and enjoyed by Assignee for its own use and benefit, and for the use and benefit of its successors, assigns, or legal representatives, to the end of the term or terms for which such Patent Properties may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor also assigns to Assignee, all right, title and interest in and to the inventions disclosed in said Patent Properties throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said Patent Properties in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of said inventions and all rights to register said Patent Properties in appropriate registries; and Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

006910.6340

Assignor also assigns unto Assignee all claims for damages by reason of infringement prior to the assignment date of the Patent Properties throughout the world, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

Assignor also will communicate to Assignee any facts known to it respecting any improvements; and, at the expense of Assignee, will testify in any legal proceedings, sign all lawful papers, execute all provisional, divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said Patent Properties in all countries.

**IN WITNESS WHEREOF**, the parties have caused this Patent Assignment to be executed on the dates and in the capacities shown below.

## QUITCLAIM PATENT ASSIGNMENT

This Quitclaim Patent Assignment is by **Georgia O’Keeffe Museum** (hereafter "Assignor"), having an address of 217 Johnson Street, Santa Fe, New Mexico 87508.

**WHEREAS, GOKM Innovations, Inc.** (hereafter "Assignee"), having an address of 217 Johnson Street, Santa Fe, New Mexico 87508, is the owner of all right, title and interest in and to the patent properties identified in Exhibit A and the inventions described and claimed therein as set forth in a Patent Assignment executed by Assignor on July 12, 2016;

**WHEREAS,** the patent properties identified in Exhibit B claim the benefit of and include inventions described in the patent properties identified in Exhibit A such that, pursuant to the Patent Assignment executed by Assignor on July 12, 2016, Assignee has an ownership interest in and to the patent properties identified in Exhibit B; and

**WHEREAS,** Assignee desires to acquire any right, title and interest the Assignor may have in and to the patent properties identified in Exhibit B and the inventions described and claimed therein (hereafter the "Patent Properties").

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, all its right, title and interest in and to the Patent Properties, as well as all provisionals, continuations, divisions, and continuations-in-part of said Patent Properties, and all reissues and extensions thereof, the same to be held and enjoyed by Assignee for its own use and benefit, and for the use and benefit of its successors, assigns, or legal representatives, to the end of the term or terms for which such Patent Properties may be granted or reissued, as fully and entirely as the

same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor also assigns to Assignee, all its right, title and interest in and to the inventions disclosed in said Patent Properties throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said Patent Properties in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of said inventions and all rights to register said Patent Properties in appropriate registries; and Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

Assignor also assigns unto Assignee all claims for damages by reason of infringement prior to the assignment date of the Patent Properties throughout the world, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

Assignor also will communicate to Assignee any facts known to it respecting any improvements; and, at the expense of Assignee, will testify in any legal proceedings, sign all lawful papers, execute all provisional, divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said Patent Properties in all countries.

IN WITNESS WHEREOF, the parties have caused this Quitclaim Patent Assignment to be executed on the dates and in the capacities shown below.
