ASSIGNMENT

WHEREAS, we, Ky-Hien Do, of Carp, Ontario, Canada, Allen F. Podell, of Palo Alto, California, and Mariama Dadhi Barrie of Brewster, New York, have invented certain new and useful improvements as described in a U.S. patent application entitled FOUR-PORT TRANSMISSION-LINE NETWORKS, filed as US Patent Application Serial No.: 17/081,871 (Attorney Docket No. WTE336, and the serial number of which U.S. application we hereby authorize and request be added to the space above by Kolisch Hartwell, P.C., when such serial number becomes known); and

WHEREAS, Werlatone, Inc., a New York Corporation having its principal place of business in Patterson, New York, ("Assignee"), is desirous of acquiring the entire right, title, and interest in the Patent Application and related inventions;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, we, Ky-Hien Do, Allen F. Podell, and Mariama Dadhi Barrie, hereby assign and transfer, to Werlatone, Inc., and its successors and assigns, the entire right, title, and interest in and to the Patent Application and related inventions, including any and all letters patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

We hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said letters patent, when granted, to Werlatone, Inc., as the assignee of my entire right, title, and interest in and to the same, for the sole use of Werlatone, Inc., and its successors and assigns.

We hereby covenant and agree to and with Werlatone, Inc., and its successors and assigns, at the time of execution and delivery of this document, that we are the lawful owners of the entire right, title, and interest in and to the invention and the above-identified patent application, and that the same are unencumbered, and that we have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

We agree that we will communicate to Werlatone, Inc., or its representatives, any facts known to us respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Werlatone, Inc., make all rightful oaths, and generally do everything

possible to aid Werlatone, Inc., and its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.
