ASSIGNMENT

WHEREAS, Osman Levent Soyarslan, the "Assignor", has made the invention described in PCT Application No. PCT/TR2018/050742, filed November 28, 2018, which claims priority to U.S. Provisional Patent Application No. 62/591,750, filed November 28, 2017, and in United States patent application entitled SYSTEM FOR SUPERIMPOSED COMMUNICATION BY OBJECT ORIENTED RESOURCE MANIPULATION ON A DATA NETWORK, for a full description of which reference is here made to an application for Letters Patent of the United States filed on May 28, 2020, and assigned Application Serial No. 16/886,265; (I/We hereby consent to the patent attorney entering the serial numbers and filing dates when they become known); and

WHEREAS, LVT Enformasyon Teknolojileri Ltd. Sti, a corporation organized and existing under the laws of the Country of Turkey, having a place of business at Huseyinaga Mah. Atif Yilmaz Cd. No.9/1, Beyoglu Istanbul, Turkey, the "Assignee", desires to acquire the entire right, title and interest in the invention and the patent application identified above, and all patents which may be obtained for the invention, as set forth below;

NOW, THEREFORE, in consideration of valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is acknowledged, the Assignor has sold, assigned and transferred, and by these presents sells, assigns and transfers to the Assignee, the entire right, title and interest for the United States in the invention and the patent application identified above, and any patents that may issue for the invention in the United States; with the entire right, title and interest in the invention and all patent applications and patents issuing therefrom in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; with the entire right, title and interest in all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and

exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee exclusive title in all such other patent applications and patents; and that the Assignor will execute and deliver to the Assignee all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is authorized and requested to issue patents to the Assignee under the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
