ASSIGNMENT OF PATENT APPLICATION

Whereas We, undersigned inventors, have invented certain new and useful improvements as set forth in the patent application entitled:

EMOTION RECOGNITION IN VIDEO CONFERENCING

(Atty. Docket No. 0293US), for which We have executed a U.S. patent application on even date herewith.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, We, the undersigned inventors, hereby:

- 1) Sell, assign and transfer to Lookery Inc., a corporation legally organized under the laws of California, having a place of business at 18675 Lamson Rd, Castro Valley, CA, 94546, USA ("ASSIGNEE"), the entire right, title and interest in any and all improvements and inventions disclosed in, applications based upon, and patents granted upon (including foreign patents and the right to claim priority), in the above referenced application.
- 2) Authorize and request the Commissioner of Patents to issue any and all United States Patents resulting from said application or any division, continuation, substitute, renewal, re-examination or reissue thereof to the ASSIGNEE.
- 3) Agree to execute all papers and documents and, entirely at the ASSIGNEE's expense, perform any acts which are reasonably necessary in connection with the prosecution of said application, as well as any derivative applications thereof, foreign applications based thereon, and/or the enforcement of patents resulting from such applications.
- 4) Agree that the terms, covenants and conditions of this assignment shall inure to the benefit of the ASSIGNEE, its successors, assigns and other legal representatives, and shall be binding upon the inventors, as well as the inventors' heirs, legal representatives and assigns.
- 5) Warrant and represent that We have not entered and will not enter into any assignment, contract, or understanding that conflicts with this assignment.

Signed on the date indicated beside our signatures.
