AFFIDAVIT CORRECTING ASSIGNMENT AND AGREEMENT

This is an affidavit submitted to correct the attached Assignment executed on March 1, 2017 regarding U.S. Patent Application 15/257,302 and recorded at Reel/Frame 041526/0121 (the "Assignment") between the named inventors of the application (hereinafter "Assignors"), , and **Delta Energy & Communications, Inc.**, (hereinafter "Assignee"), a corporation duly organized and existing under the laws of the State of Delaware.

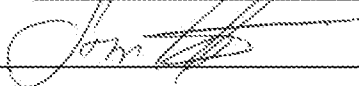

This Affidavit is provided to confirm that the Assignee should have been identified as an organization duly organized and existing under the laws of the State of Delaware, not California.

As not all of the Assignors are available to correct the Assignment or execute a new one, this Affidavit is provided by the Assignee to identify the error regarding its state of organization and request the correction.

To the best of my knowledge and belief, the foregoing is true and correct and any attached copy is a true copy of the original document.

ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, WE, **Scott FOSTER**, a citizen of the United States of America residing at 38242 Shadowcreek, Murrieta, California 92562, US; **Angelo BORRELLI**, a citizen of the United States of America residing at 379 Lambton Street, Fairhope, Alabama 36532, US; and **Keith TEICHMANN**, a citizen of the United States of America residing at 535 Boylston Street, Newton Centre, Massachusetts 02459, US hereby sell, assign and transfer to **DELTA ENERGY & COMMUNICATIONS, INC.**, an organization duly organized and existing under the laws of the State of California having a principal place of business at 29975 Technology Drive, Suite 101, Murrieta, California 92553, US, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to improvements in *System and method for determination and remediation of energy diversion in a smart grid network*, which is described in an application for Letters Patent filed on **September 6, 2016**, now bearing US Patent Application Serial No. **15/257,302** and International Patent Application Serial No. **PCT/US2016/050393**, which applications claim priority to US Provisional Patent Application Serial No. **62/213,815** filed on **September 3, 2015**, and all the rights and privileges under any and all Letters Patent that may be granted therefor.

We request that any and all patents for said inventions in all countries be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by: (a) any and all other applications for letters patent on said inventions in whatsoever countries, including all divisional, renewal, substitute and continuation applications based in whole or in part upon said inventions; (b) the International Convention for the Protection of Industrial property, as amended, or by convention which may henceforth be substituted for it; and (c) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be substituted for it; and

to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by: (a) any and all other applications for letters patent on said inventions in whatsoever countries, including all divisional, renewal, substitute and continuation applications based in whole or in part upon said inventions; (b) the International Convention for the protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it; and (c) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be substituted for it.

We covenant with said assignee, its successors and assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
