GRANT OF SECURITY INTEREST  
IN PATENTS

October 30, 2020

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, each of the entities listed on the signature pages hereto as “Grantors” (each a “Grantor” and collectively the “Grantors”) hereby grants to CRYSTAL FINANCIAL LLC, a Delaware limited liability company, as administrative agent and collateral agent for itself and certain other credit parties (in such capacity, the “Grantee”), a continuing security interest in and to all of such Grantor’s right, title and interest in, to and under the following:

(i) any and all Patents (as defined in the Security Agreement referred to below) and industrial designs owned by such Grantor, including without limitation the Patents and industrial designs set forth on Schedule A attached hereto (the foregoing, collectively, the “Patents”),

(ii) any and all divisionals, continuations, continuations-in-part, reissues, reexaminations, or extensions of the foregoing and

(iii) any and all causes of action arising prior to or after the date hereof for infringement of any of the Patents, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right, but no obligation, to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

THIS GRANT is made to secure the satisfactory performance and payment of all Secured Obligations of each Grantor, as such term is defined in the Security Agreement by,

among others, the Grantors and the Grantee, dated as of the date hereof (as amended, restated, supplemented or otherwise modified and in effect from time to time, the “Security Agreement”).

This grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern. This grant and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this grant and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

[remainder of page intentionally left blank]

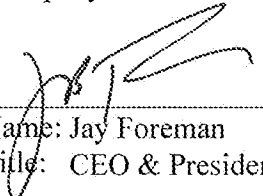

IN WITNESS WHEREOF, each of the undersigned have executed this grant as of the date above first written.
