(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted. The effective date of this Assignment is February 16, 2015;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted;

(4) in and to all said patent applications the right to claim the full benefits and priority rights under the International Convention and any other international agreement to which the United States adheres; and

(5) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of CHICAGO and CHAPEL HILL with a claim to priority based on said United States application.

And we hereby agree that we will, upon request of CHICAGO or CHAPEL HILL, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by CHICAGO or CHAPEL HILL, their successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by CHICAGO or CHAPEL HILL, their successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to CHICAGO and CHAPEL HILL.
