WHEREAS, pursuant to the Security Agreement, each Grantor has agreed to execute and deliver this Confirmatory Grant in order to record the security interest granted to the Administrative Agent, for the benefit of the Secured Parties, with the United States Patent and Trademark Office;

NOW, THEREFORE, in consideration of the promises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN PATENT COLLATERAL.** Each of the Grantors hereby pledges, collaterally assigns and grants to the Administrative Agent, on behalf of the Secured Parties, to secure the prompt and complete payment and performance of the Secured Obligations, a security interest (referred to in this Confirmatory Grant as the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under the following, whether now owned or hereafter acquired or arising (collectively, the “Patent Collateral”):

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Confirmatory Grant is granted in conjunction with the security interests granted to the Administrative Agent, on behalf of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Security Interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Confirmatory Grant and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Patents or become entitled to the benefit of any Patent for any renewal or extension of any existing Patent, the provisions of this Confirmatory Grant shall automatically apply thereto. Each Grantor hereby authorizes the Administrative Agent unilaterally to modify this Confirmatory Grant by amending Schedule I to include any such new patent rights of such Grantor. Notwithstanding the foregoing, no failure to so modify or supplement this Confirmatory Grant or amend Schedule I shall in any way affect, invalidate or detract from the Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.
