Assignment of Invention and Patent Application

For good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, **Ian James Holme**, a citizen of the United Kingdom having a residence and post office address at 56A Shelgate Road, London, SW11 1BG, UK (hereinafter "Assignor"), hereby sells, assigns, transfers, and sets over unto **Holme & Hadfield LLC**, a Wyoming Company having a place of business at 56A Shelgate Road, London, SW11 1BG, UK (hereinafter "Assignee"), one-hundred percent (100%) of Assignor's right, title and interest in and to the invention titled Watch Box Organizer (hereinafter "Property") invented by Assignor. Co-inventors include Philip Hadfield. Patent filings for this invention have been made as follows (attorney is authorized to fill in numbers as they become available):

Application number 29757527, filed 11/06/2020 ;
Application number _____, filed _____;
Application number _____, filed _____;
Application number _____, filed _____.

This assignment includes all U.S. patent rights, including reissues, continuations, continuations-in-part, substitutes, divisions, designs, and other related applications. Assignor authorizes and requests that the Commissioner of Patents and Trademarks issue any patent(s) 100% to Assignee, to the full end of the term for which said patent may be granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made. By this assignment, Assignor hereby warrants that to the best of his or her knowledge, he/she is the sole owner of the Property (subject to any rights of co-inventors described above), it is free of encumbrances or licenses of any kind, the patent has not expired, and the patent is valid and fully enforceable to the best of Assignor's knowledge.

Assignor hereby further sells, assigns, transfers, and sets over unto Assignee Assignor's entire right, title and interest in and to said invention in each and every country foreign to the United States.

Assignor further convey to Assignee 100% of all priority rights resulting from the above-identified application for United States and foreign patents, and all rights to pursue past, present, and future infringement and collect all damages related thereto. Assignor agree to execute all papers, give any required testimony and perform other lawful acts, at Assignees expense, as Assignee may require to enable Assignee to perfect Assignee's interest in any resulting patent of the United States and countries foreign thereto, and to acquire, hold, enforce, convey, and uphold the validity of said patent and reissues and extensions thereof, and Assignee's interest therein.

In testimony whereof, Assignor hereby sets his/her hand and seal on the date below.
