## ASSIGNMENT

WHEREAS, MICKEY RAY ENGLISH, JR. a resident of Sherwood, Arkansas (hereinafter referred to as "Assignor"), is an inventor of a certain new and useful invention relating to a METHOD AND APPARATUS FOR CONVEYING A MEAT PRODUCT AND USING AN ULTRASONIC KNIFE FOR AUTOMATED CUTTING OF MEAT for which Assignor has filed United States Patent Application Serial Number 16/907,012, entitled METHOD AND APPARATUS FOR CONVEYING A MEAT PRODUCT AND USING AN ULTRASONIC KNIFE FOR AUTOMATED CUTTING OF MEAT; and

WHEREAS, Assignor is the inventor/owner and in full possession of the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor anywhere in the world; and

WHEREAS, JMP SOLUTIONS, a Canadian corporation, having its principal office and place of business at 4026 Meadowbrook Drive, Unit 143, London, ON, N6L 1C9, CANADA is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Patent Applications and Letters Patent that may be granted therefor; and

NOW, THEREFORE, for and in consideration of the sum of One Dollar (U.S. \$1.00) and/or other valuable considerations to Assignor paid by said Assignee, receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, the entire right, title and interest in and to said invention and improvements thereto, and in and to any and all patent applications, including provisional and non-provisional patent applications, Letters Patent, both United States and foreign, that may be granted therefor, together with any and all continuations, divisions, or reissues, and Assignor does hereby authorize and request the United States Commissioner of Patents and Trademarks to issue in

accordance with this Assignment any and all Letters Patent that may be granted, either on said application or otherwise for said invention to JMP SOLUTIONS as the Assignee of the entire right, title and interest in and to the same, for the sole use and benefit of JMP SOLUTIONS, its successors or assigns.

AND for the same consideration, Assignor hereby represents and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the Invention and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agree to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise, including but not limited to any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of any divisional, continuation or continuation-in-part application thereof or for the filing or prosecution of any application for the reissue or extension of any Letters Patent that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for the said consideration it is further agreed by the undersigned, upon the request of said Assignee, in the

event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this Assignment and sale had not been made: that any proceeding in connection with said Invention or Letters Patent or applications for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

If the Assignee is unable because of Assignor's mental or physical incapability or for any other reason to secure the Assignor's signature for such papers and documents contemplated by this Assignment, then the Assignor hereby irrevocably designates and appoints JMP SOLUTIONS and its duly authorized officers and agents as Assignee's agent and attorney-in-fact to act coupled with interest for and in the Employees behalf to execute and file any such applications and to do all other lawfully permitted acts to further the filing, prosecution and issuance of patents and copyright registrations.

AND Assignor hereby grants the following person(s) the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
