CONFIRMATORY ASSIGNMENT

Pursuant to an Employment Agreement that I entered into on 18 November 2014 with Instent SAS, a corporation having a place of business at 73 Rue Léon Bourgeois, 91120 Palaiseau, FRANCE (now doing business as Sensome SAS pursuant to the name change filed with the Commercial Court of Evry on 13 July 2017), I, the undersigned Assignor, hereby:

1. Confirm that pursuant to the terms of the Employment Agreement, prior to 23 October 2015, I sold, assigned and transferred to Instent SAS, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, my entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in:

- the patent application for French Letters Patent filed in the French National Institute of Intellectual Property (INPI) on 23 October 2015 under No. 1560174, and titled METHOD AND SYSTEM FOR CELL DISCRIMINATION,
- the international/PCT patent application filed on 23 October 2016 under No. PCT/EP2016/075456, and titled METHOD FOR DETERMINING AT LEAST ONE TYPE AND/OR CONDITION OF CELLS AND SYSTEM,
- the patent application for United States Letters Patent filed in the United States Patent and Trademark Office on 20 April 2018 under No. 15/769,968, bearing Attorney Docket No. I0487.70004US00, and titled METHOD FOR DETERMINING AT LEAST ONE TYPE AND/OR CONDITION OF CELLS AND SYSTEM,

(collectively, the "Applications"), and in and to each of the Applications and all corresponding provisional, non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country, including but not limited to China, Japan and Korea, on any of the inventions and designs; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on the inventions and designs, including the right to apply for patent rights in each foreign country and all rights to priority, including the right to claim priority for China, Japan and Korea; as well as the right to sue in its own name and recover damages for past infringement of any United States Letters Patent and foreign patent, including a reasonable royalty relating to provisional rights under 35 U.S.C. § 154(d) that have attached to any published United States patent application, on the inventions and designs;

2. Confirm that, prior to 23 October 2015, I agreed that the Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for the inventions and designs in its own name; and when requested, without charge to but at the expense of the Assignee, agree to carry out in good faith the intent and purpose of this Assignment, by executing all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent, utility model and industrial design applications on any and all the inventions and designs, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to the Assignee all facts known to me relating to the inventions and designs and

the history thereof, and generally by doing everything reasonably possible which the Assignee shall consider desirable for aiding in securing and maintaining proper protection for the inventions and designs and for vesting title to the inventions and designs and all applications for patents and all patents on the inventions and designs, in the Assignee;

3. Request the Director of the United States Patent and Trademark Office and foreign patent authorities to issue the Letters Patent or other intellectual property rights, including foreign patents, to the Assignee;
4. Authorize and request Wolf, Greenfield & Sacks, P.C. to supply any missing application identification information or correct any errors in the application identification information provided above, whether discovered prior to or after recordation;
5. Covenant with the Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me prior to 19 May 2017; and
6. Appoint Assignee, through its designee, my attorney-in-fact to execute, in my name and on my behalf, any and all documents required to effectuate this Assignment, specifically including, but not limited to, those documents specified above and any necessary corrective assignments.

This instrument is executed under seal and signed under the pains and penalties of perjury under the laws of the United States of America.
